“When history will make an assessment after 100 years of independence, you have the opportunity that your name should figure prominently in it. You can say with pride that you have played a role in creating new systems for the country and improving the systems. I am sure all of you will continue to expand your role in nation building. Capacity building should be our endeavour at every moment, for ourselves, for our colleagues and also for the system. We will have to keep on making efforts to surpass new heights.”

# Background

The Hon'ble Prime Minister had mandated the Department of Administrative Reforms & Public Grievances (DARPG) to hold virtual conferences/webinars with District Collectors and other Officers. A specific themes/sector may be taken up in each month, in which past award winners since the inception of the Scheme under that sector be invited to present their experiences.

Accordingly, DARPG and NCGG jointly conducts National Good Governance Webinars, one webinar a month on different themes, on the last Friday of every month. The purpose of the Webinars is to highlight and disseminate the best practices and sharing of experiences of the award-winning institution to facilitate replication by other States/Districts.

These webinars were attended by about 1000 officials from Ministries/ Departments, State Governments and District Collectors. Given the encouraging response of these webinars in 2022-23, it has been decided to continue the initiative of organizing the National Good Governance Webinar Series in the year 2023-2024.

Eighteen (18) Webinars have been held in the last eighteen months from April, 2022, on the PM award winning initiatives.

In this backdrop of the National Good Governance Webinar Series, DARPG, in collaboration with NCGG, has convened the 18th Webinar on PM's Award-Winning Initiatives under the theme "Swasth Bharat- Ayushman Bharat through Health and Wellness Centre's".

# Overview

NGGWS

The Department of Administrative Reforms and Public Grievances has initiated a unique initiative of organizing National Good Governance Webinar Series on a monthly basis from April 2022, which has been very popular amongst practicing administrators. Very large participation has been observed in the 18 Webinars held upto October 2023. The Hon'ble Vice President of India released the compendium of the National Good Governance Webinar Series 2022-23 on 20th April 2023 in the inaugural session of Civil Services Day events 2023. It has been decided to continue the initiative of organizing the National Good Governance Webinar Series.

The awardees present their exemplary work in these National Webinars, to highlight the best practices adopted by the award-winning initiatives for replication by other States/Districts. Doing so would also infuse a new spirit and enthusiasm among administrators and other stakeholders involved in the implementation of different government programmes. These webinars covering Award Winning Initiatives help in broadening of skills, dissemination of best practices as well as in replication of best practices.

One Webinar a month on the last Friday of the month is held, on different themes under the good governance initiative that have been felicitated with the Prime Minister's Award for Excellence in Public Administration. Webinars would cover multiple areas like Health, Education Sports, Har Ghar Jal, Aspirational Districts Programme, Innovations, One District One Product (ODOP), PMSVANIDHI Yojna etc., wherein the initiatives have bagged the award for their exemplary work. The webinar series are fully documented.

## Promoting Swasth Bharat through Health & Wellness Centre By-Collector and District Magistrate Anakapalli , Andhra Pradesh

Anakapalli is a suburb of Visakhapatnam in Andhra Pradesh. The municipality was merged with Greater Visakhapatnam Municipal Corporation. It has the second largest jaggery market of the country. The Anakapalli district currently has a population of 18,52,000 people spread across 24 mandals. It also has 45 PHC-HWC, 9 UPHC-HWC, and 522 VHC/UHC-HWC facilities.

Under the Ayushman Bharat initiative Anakapalli district strengthening Primary Health care services by setting up Health and wellness centres. Previously service was provided at primary health centres and sub centres where people used to come and get treated for their illness. After the great initiative of PM Ayushman Bharat Health & Wellness centre in our country the district Administration is providing all the services by ensuring continuum of care and team-based approach reaching up-to the last mile. The aim of HWC is not about curing a disease but also preventing it by promoting health and wellness activities in the form of life style modification activities like yoga and aerobics, counselling for healthy and nutritious diet. The district administration is also providing RCH services such as antenatal check-up, identification and management of high-risk pregnancies, post-natal counselling and child immunization services.

As a part of Family Physician concept in Anakapalli medical officers visited bedridden patients at home and provide palliative care to the old and regular follow-up until cure is achieved.

## 1st Session – Promoting Swasth Bharat through Health & Wellness Centres, Anakapalli District, Andhra Pradesh- Shri Pattanshetti Ravi Subhash

The Swasth Bharat-Ayushman Bharat programme is an all-encompassing healthcare endeavour which was leveraged by the district administration headed by Shri Pattanshetti Ravi Subhash, the then district collector of Anakapalli district of Andhra Pradesh, wherein the principal objective is to expand healthcare accessibility in rural and underserved regions. In the webinar, Shri Pattanshetti Ravi Subhash presented on Swasth Bharat-Ayushman Bharat through Health and Wellness Centres (HWCs), in the Anakapalli district. He believes "Sarve Bhavantu Sukhinah, Sarve Santu Nir-Aamayaah".

The principal objective of Health and Wellness Centres (HWCs) operating under the Swasth Bharat programme is to furnish all residents with primary healthcare services that are accessible, inexpensive, and comprehensive, placing particular focus on preventative healthcare. With the objective of serving as the primary interface for individuals in need of healthcare, these facilities provide an extensive array of services that foster holistic health and well-being. HWCs play a pivotal role in raising awareness about health issues, facilitating early disease detection, and promoting health education.

HWC is responsible for delivering the Comprehensive primary health care service to the last mile service of 522 village/urban ward health clinics. Through dialling 108, those in need of immediate medical attention can access services available around the clock, including transportation to nearby medical facilities for ante-natal. In addition, a comprehensive Health care provider is available throughout 104 on a fixed day from nine in the morning until four in the afternoon. Dialling 102 transportation of delivered mother and child from health facility to home.

A community health officer who is qualified at the village level and who provides trained services in all aspects of health care at the village level. The Village Health, Sanitation, and Nutrition Committee (VHSNC) holds meetings of its members on a regular basis with the purpose of analysing the current status of health parameters and the epidemic situation.

DWCRA is a self-help group that acts as the organisation for the village. Its mission is to disseminate information regarding all government programmes and to encourage involvement and acceptance among villagers. With its powerful information technology system, total digitalization of all government programmes, and frequent availability of data and analysis of that data, the country is able to take preventative actions and fill in any gaps.

At the level of the village, there is access to 67 types of drugs and 14 types of diagnostic made available for early diagnostics and treatment. Continuum of health care with telemedicine facilities to ensure advanced specialist care at the village level, including follow-up care, and village level officials, such as ASHA and ANM, to ensure timely referral and follow-up care.

Milestones were achieved by setting an example with 75,698 number of people were 30 plus age of population received holistic services in HWCs and 100% screened for hypertension and 99% for diabetes. There are around 576 functional health and wellness centre in Anakapalli district and in them 95% have 300 plus footfall and 100% HWCs are offering telemedicine services. Around 87 HWCs centres have conducted at least 10 wellness session per month. 34596 tested for anaemia and out of them 7% brought out of anaemia. 13920 institutional deliveries were performed and 100% of them were done in Anakapalli district.

The progress in Anakapalli district in the light of SDG indicators such as life expectancy, institutional deliveries, cases of tuberculosis, doctor staffing in PHCs, fully immunized infants, IMR, MMR, anaemic pregnant women, anaemic adolescents and PMMVY beneficiary coverage were shared.

The presentation shed light on best practices such as family physician concept which ensured availability of health care system at HWCs for the benefit of rural population at their doorstep. 1483 HWCs had first family physician visit and the second visit in 459 HWCs. A total of 80.93% ABHA ID has been generated till now and an enhancement in teleconsultation service to 3310 calls per day on average. The core manpower was 21,852 general physician, 12,775 paediatricians, 18,451 gynaecologists and 2950 medical officers.

HWC lead the way to proactive, prompt and efficient service delivery with comprehensive coverage of population. Reduction in the incidence of complications/ morbidity/mortality was ensured with right intervention at right time and targeted interventions for overall improvement in the health status of the population which helped in reducing dependency in tertiary hospitals.

The district collector Shri Pattanshetti Ravi Subhash shared future direction for preventing hunger and malnutrition and dealing with it proactively. With the database of individuals health profile and scientific analysis could lead to better service delivery and disease prevention. Recruiting and posting of specialist leading to more efficient service delivery at primary level was found to be enlisted to eliminate any last access barrier.

## 2nd Session- Swasth Bharat through Health & Wellness Centres in Latur District of Maharashtra - By Shri Prithviraj BP, CEO, Nagpur Smart and Sustainable City Development Corporation Limited

The Latur district administration has identified Ayushman Bharat Health and Wellness Centers (HWCs) programme a flagship initiative that is part of the larger Ayushman Bharat initiative that was initiated by the Government of India. These HWC facilities have the mission of delivering comprehensive primary healthcare services to the people of India. These services are intended to include preventative, promotive, and curative treatment. As part of the Ayushman Bharat initiative, the government has been making efforts to create robust Health and wellness centres infrastructure in India. These centres are designed to be the first point of contact for healthcare services at the grassroots level, and they offer a variety of healthcare services, such as services for maternal and child health, management of non-communicable diseases, diagnostic services, and more. Their purpose is to provide healthcare to the people who live in the surrounding communities.

The key points presented by Shri Prithviraj BP during the webinar on the category of Swasth Bharat through Health & Wellness Centres under Prime Minister's Awards for Excellence in Public Administration 2022, focuses on the implementation strategy, outcomes achieved, and strengthening the services of Health and Wellness Centres (HWCs) in the Latur district.

The primary goal of the 'Swasth Bharat through Health & Wellness Centers' in District Latur, was to deliver comprehensive primary health care that is universal and free to all its users. Ayushman Bharat Health and Wellness Centre, an ambitious healthcare initiative by the Government of India, seeks to provide accessible, affordable, and quality healthcare to its citizens. A critical component of this initiative is the establishment of Health and Wellness Centres (HWCs) across the nation.

In Latur district, Ayushman Bharat Health and Wellness Centre was found to be a great support in delivering the services to all for the Swasth community. Shri Prithviraj BP and his team were able to convert 46 (100%) Public Health Centres (PHCs) and 187 (94%) Sub Centres (SCs) into fully functional HWCs.

To increase the footfall and built a positive perception of HWCs and their services various initiatives have been taken in Latur which involved implementation of strategies such as 100% Branding for making all HWCs operational and door step approach to achieve 100% screening. Further, timely recruitment of trained human resource, training and capacity building of newly recruited personnel for expanded range of services such as Eye care, ENT care, Mental health care, Palliative care, elderly care, emergency and trauma care, were done. Under mental health programme regular IEC, house to house survey and weekly mental health clinic at all HWC facilities under the flag name 'Manshakti Clinic' were conducted to identify the cases of illness for their appropriate treatment.

Special efforts were taken for mentally disabled patients through District Early Intervention Centres and PPP project 'UMANG' which is an Institute of Autism and Multi-disability research centre situated at Latur. Under emergency and trauma care, all HWCs were made to practise the handling of injuries, accidents and animal and snake bites.

Other than this various wellness activities were rolled out at all the HWCs to bring awareness in the community regarding prevention of Non-Communicable Diseases (NCDs) like cardiovascular diseases, diabetes, cancer, respiratory, and other chronic diseases that account for increase in total mortality rate. Activities like Yoga, Marathon, Cycling, Walking, Zumba, Health talks and Health Day celebration were organised to mobilize the community to adopt for healthy lifestyle. The robust tele-communication facility was brought in the area which benefited the end users by expanding telecommunication infrastructure through the platform of esanjeevani.in.

Essential medicines were made available by including AYUSH medicines & diagnostics. Moreover, Jan Arogya Samitis were also established for actively engaging community members.

To strengthen the HWC services, special efforts were made to reach the unreached people. The follow-up system was practiced by ANMs and ASHA workers, regular weekly visits were done by doctors for diagnosis and to take on treatment of NCD patients. Facilities like regular follow up and counselling to the known cases of illness were also practiced at all HWCs. The provision of well-equipped ambulances to all HWCs for free referral was also made available by utilizing the funds of Hon. MPLADS/ MLALADS fund.

A cancer screening and diagnostic drive was launched under the flagship name 'Sanjeevani Abhiyan', especially to screen women above 30 years and above female population for cases of cervical and breast cancer. The local support from Panchayati Raj Institute was also taken to mobilize diagnosed patients with free transport, food and free investigation at selected HWCs centre.

Shri Prithviraj BP and his team's efforts in operationalizing, implementing and delivering the services of Ayushman Bharat Health and Wellness Centre under Swasth Bharath had a spillover effect increasing the foot fall in HWCs. The actions taken by Prithviraj BP not only reduced the congestion at the tertiary level of health care but also reduced the out-of-pocket expenditure of people of Latur district.

## Innovation – Sanjeevani Abhiyan ( Cancer Free Life – Prosperous Life )

In non communicable disease screening the cancer screening is important aspect but due to various myths and cultural issues the percentage of women to get checked specially in Ca Cx and breast was negligible. So an innovate mass level campaign is tried for IEC , Training and screening. This activity supported the HWCs performance in positive manner. 342000 women above 30 years are contacted through home visits and out of that 3958 suspected pts found. Out of that 3425 pt mobilized with free transport , food and free investigation at selected HWCs center and Block level RH SDH with financial support from local Panchyat Raj institute.
