

State Collaboration Initiative (SCI) Scheme & NGSP Portal

Administrative Reforms Division,
DARPG

SCI Scheme

- DARPG provides funds to the State Governments under State Collaboration Initiative (SCI) Scheme.
- The scheme is designed to promote innovative ideas and ensure implementation of reforms at the cutting edge or point of delivery of Public Administration.
- Capacity building at District, State and Central Govt. level to ensure optimal use of systems and resources
- Scheme was revised in 2015-16 to include funding for replication of PM and National e-Gov Awarded initiatives

Funding Mechanism of the projects

- All proposals received in the prescribed format are examined by the Screening Committee headed by Jt. Secretary (AR) .
- Other members include representatives of IFD, MoRD, NITI Aayog and HIPA, Gurgaon & DS/Dir of AR-Division.
- After approval of the Secretary(AR&PG) and concurrence of IFD, 80% fund of the total approved budget of the project would be transferred to the implementing agency as 1st instalment.
- The second instalment of 20% will be released on the basis of the satisfactory progress and utilization certificate as per the approved implementation schedule.

Projects under SCI

- Under this Scheme, DARPG has funded 35 projects in 14 different States / UTs
- Out of the 35 projects, 21 have been successfully completed and 14 are on going/ to be completed
- In the last financial years (2015-16 & 2016-17) seven (07) projects were completed

Inspection / Visit by DARPG Team

- Replication : If, completed projects is a **best practice in Public Service Delivery / Innovation**, then these practices should be replicated in other places for the benefits of the citizens .
- DARPG inspection team visit before replication

What Next ?

- States are requested to come forward with more projects so that DARPG is able to fund the innovative projects .

National Government Service Portal

- To increase India's rank in e-Government Development Index survey.
- Online public service delivery In 2016 India ranked 107 out of 193 countries (118 in 2014).
- NGSP : Single National Portal for citizens to search for online available services.

States role in NGSP

- Forward all online services meta data to DARPG.
- Share URL and other details (format available)
- Meta data to be in bilingual (English/Hindi).
- As on Dec 21 , 2017 more than 4000 services are linked to NGSP .

Thank You
