Har Ghar Jal Yojana

Target: 563727

Achievement : 563197 (99.91%)

Changing people's lives

Rajgir town, the tourism capital of Bihar, gets assured tapwater supply to houses, hotels and tourist places. Prior to 2021, the whole town depended on tankers, handpumps and water standposts.

In June 2020, Nalanda district was served through 147 tankers. In June 2024, number of tankers reduced to 6.

Monthly "Jal Chaupals" - Awareness about water budgeting, user charges collection & functionality feedback.

Water Control Room to ensure repair on the basis of calls to PRI representatives, IOT data and physical inspections.

Weekly calls to all Mukhiya and ward members to get report on functionality of schemes in their area

IoT Devices installed in all 3,253 schemes – To monitor functionality, recording usage data for daily analysis on centralized portal.

Grievances at Water Control Room:

No. of complaints received:4013

No. of complaints resolved:3905
