ANSWER

Minister of State in the Ministry of Personnel, Public Grievances and Pensions and Minister of State in the Prime Minister's Office (Dr. JITENDRA SINGH).

- (a) to (c): Grievances can be lodged by citizens by post, in person and by web based internet mode. Thus, every Wednesday of the week has been earmarked for receiving and hearing of grievance petitions in person by the Director of Public Grievances in each Central Ministry/Department. The grievances can also be sent by post/manually and for quick and comprehensive redress such grievances are disposed by internet based system. Further, the Government has already established an internet based Centralised Public Grievance Redress and Monitoring System (CPGRAMS) in June, 2007, to facilitate citizens to lodge their grievances from anywhere, anytime for redress. The System enables Ministries/Departments to take appropriate action and upload the action taken reports on the system. The citizens can view online the status of action

taken on their grievances. The system has provisions for generating various reports for monitoring of the grievances. CPGRAMS has feedback mechanism for rating of the satisfaction level, by the complainant, after redress.

In case, a grievance is received from any person sitting on Dharna at Jantar Mantar, that is also considered and action taken as per the guidelines for redress of public grievances.
