National Social Assistance Programme (NSAP)

Manual for District Level Functionaries

2017
PREFACE

The purpose of this Development Manual for National Social Assistance Programme (NSAP) Scheme is to create an enabling mechanism for improved implementation of the Centrally Sponsored Scheme at the cutting edge, leading to enhanced outcomes in nature and extent. Accordingly, it would act as a guide for implementation by the District Collector and key functionaries at District, Block & Gram Panchayat level to enable quick learning about the Scheme, implementation modalities, roles and responsibilities of various functionaries as well as stakeholders.

This Manual is prepared with inputs from a combination of sources, including interaction with the Ministry of Rural Development (MoRD), Government of India (GoI), review of extant scheme guidelines and circulars issued by MoRD from time to time and recently updated in 2014 and discussions with the key personnel involved in implementation of the Scheme.

For greater direction, the guidelines cited must be referred to along with the scheme website (http://www.nsap.nic.in) for guidance and clarifications on implementation from time to time.

1. National Social Assistance Programme (NSAP)

1.1. About the Scheme

The National Social Assistance Programme (NSAP) is a welfare programme administered by the Ministry of Rural Development. This programme is being implemented in rural as well as in urban areas. NSAP represents a significant step towards the fulfilment of the Directive Principles of State Policy enshrined in the Constitution of India which enjoin upon the State to undertake within its means a number of welfare measures. In particular, Article 41 of the Constitution of India directs the State to provide public assistance to its citizens in case of unemployment, old age, sickness and disablement and in other cases of undeserved want within the limit of its economic capacity and development.

The programme was first launched on 15th August 1995 as a Centrally Sponsored Scheme (CSS) targeting the destitute, to be identified by States/UTs, with the objective of providing financial support.

1.2. Key Principles of the Schemes under NSAP

Figure 1: Principles of NSAP

- Universal Coverage of eligible persons and pro-active identification
- Transparent and people friendly process for application, sanction, appeal and review
- Regular monthly disbursement of pensions & benefits preferably at the door-step of the beneficiaries
- Electronic transfer
- Robust Social Audit and Annual Verification
- Key Role for Local Self Government Institutions
- IT based Management Information System (MIS)
- Robust Grievance Redressal System
- Automatic Convergence

1.3. Current Schemes of NSAP

There are five different schemes being implemented as part of NSAP. The eligibility criteria for each programme differs, which has been outlined in Table 1. The process of beneficiary selection and sanction procedure are common to all the five schemes of NSAP as described in the implementation sections.

### 1.5. Coverage & Beneficiaries

The scheme envisions universal coverage of eligible persons on the basis of Below Poverty Line (BPL) population of the State. For calculating the estimated number of beneficiaries under each scheme for each State/UT, the population figures as per the Census of India 2001 and the poverty ratio determined by the Planning Commission have been taken into account. The estimated number of beneficiaries each year is determined on the reports of the previous year submitted by the State Governments.

### 2. Implementation Mechanism
