PREFACE

The purpose of this Development Manual for web portal based National Social Assistance Programme (NSAP) Scheme is to create an enabling mechanism for improved implementation of the Centrally Sponsored Scheme (CSS) at the cutting edge, leading to enhanced outcomes in nature and extent. Accordingly, it would act as a guide for implementation by the District Collector and key functionaries at District, Block & GP level to enable quick learning about the Scheme, implementation modalities, roles and responsibilities of various functionaries as well as stakeholders

This Manual is prepared with inputs from a combination of sources, including interaction with the Ministry of Rural Development (MoRD), Government of India (GoI), review of extant scheme guidelines and circulars issued by MoRD from time to time and recently updated in 2014 and discussions with the key personnel involved in implementation of the Scheme.

For greater direction, the guidelines cited must be referred to along with the scheme website (<http://www.nsap.nic.in>) for guidance and clarifications on implementation from time to time.

1. National Social Assistance Programme (NSAP)

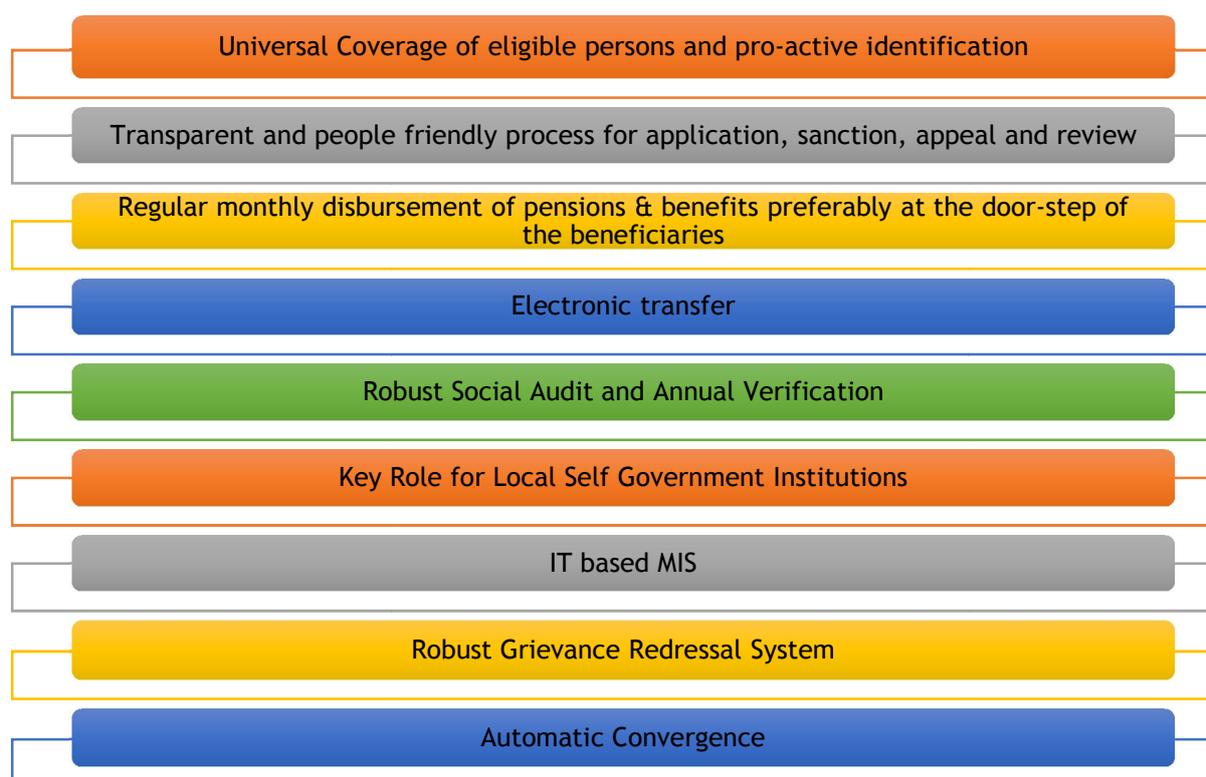

1.1. About the Scheme

The National Social Assistance Programme (NSAP) is a welfare programme administered by the Ministry of Rural Development. This programme is being implemented in rural areas as well as urban areas. NSAP represents a significant step towards the fulfilment of the Directive Principles of State Policy enshrined in the Constitution of India which enjoin upon the State to undertake within its means a number of welfare measures. In particular, Article 41 of the Constitution of India directs the State to provide public assistance to its citizens in case of unemployment, old age, sickness and disablement and in other cases of undeserved want within the limit of its economic capacity and development.

The programme was first launched on 15th August 1995 as a Centrally Sponsored Scheme targeting the destitute¹, to be identified by States / UTs, with the Objective of providing financial support
