1. Introduction

The Department of Administrative Reforms and Public Grievances (DARPG) had formulated the National e-Governance Service Delivery Assessment (NeSDA) Framework to assess States/UTs and Central Ministries with regard to their delivery of e-services as a benchmarking exercise, covering seven sectors. DARPG intends to conduct the NeSDA study biennially.

In view of encouraging findings of NeSDA 2021, NeSDA Way Forward PMU was setup to monitor the monthly progress in e-service delivery, across States/UTs. DARPG monitors the progress made in e-service delivery and rise in integrated service delivery portals, across States/UTs through NeSDA Way Forward monthly reports and regular review meetings with SPoCs from States/UTs. So far, 9 NeSDA Way Forward Monthly Reports and Annual Report 2023 have been published to monitor the status of e-service delivery, across States/UTs.

The Monthly Reports released for States/UTs in 2023 especially featured deep analysis of e-services in each of the seven focus sector, viz Tourism (May), Environment (June), Education (July), Labour & Employment (August), Finance (September), Social Welfare including Agriculture, Health & Home Security (October) and Local Governance & Utility Services (November).

The upcoming monthly aim to institutionalise the nation's endeavours for improved delivery of e-services and prepare States/UTs for the biennial NeSDA.

The enhanced objectives of NeSDA Way Forward Monthly Reports are as follows:

A. Saturation of e-services

- Provision of all identified 56 mandatory e-services
- Increase in delivery of total number of e-services provided
- Provision of identified common services

B. Promote faceless and suo-moto entitlement-based delivery of services

- Monitor improvement in the number of services provided facelessly, i.e., without any physical visits, paperwork and human intervention.
- Provision of e-services to the citizens as per their entitlement, based on their socio-economic status

C. Strengthening of Unified Service Delivery Portals

- Strengthening of unified Service delivery portal especially in North Eastern States
- Integration with other government platforms like *Service Plus*, *MyScheme*, *Umang*, etc.,

D. Identification of bottlenecks and dissemination of best practices

- Recognize the existing gaps and improve scores in NeSDA assessment parameters
- Learn from best practices to leverage emerging technologies

The NeSDA Way Forward Monthly Report for States/UTs, January & February 2024 is based on the inputs provided by States/UTs on *NeSDA – Way Forward* dashboard, as of 5th March, 2024.

2. Key Highlights

Status of Implementation

- **16,517** e-services are provided across States/UTs
- **Tamil Nadu** provides maximum e-services (1128)
- Maximum e-services (**5,288**) lie in the sector – Local Governance & Utility Services
- **1,528** out of 2,016 mandatory e-services (56*36 States/UTs) are available, making saturation at **76%**
- **Madhya Pradesh, Punjab, Rajasthan, Tamil Nadu** and **Uttarakhand** have achieved **100%** saturation of 56 mandatory e-services

Unified Service Delivery Portal

- **Tamil Nadu, Jammu and Kashmir, Kerala, Assam** and **Odisha** provide **100%** of their services through their identified Single Unified Service Delivery Portal i.e., **tnesevai (1128), e-UNNAT (1119), e-Sevanam (911), Sewa Setu (469)** and **Odisha One (404)**, respectively
- The **Government of Goa** has developed **Goa Online** to make all government services accessible to the common citizen in their locality through common service delivery outlet
- The **Government of Maharashtra** has designed RTS Maharashtra mobile app or **Aaple Sarkar** Web Portal to allow citizens access to information regarding services available under RTS Act
- The **Government of Chhattisgarh** has launched **e-District**, which provides 24/7 access to government services for applications, status checks, downloads, and contact information (mobile app available)
- The **Government of Telangana** designed **MeeSeva**, that offers G2C and G2B services with online, kiosk, and mobile app access
- The **Government of Andaman and Nicobar Islands** developed the **e-District** project established under the National e-Governance Plan (NeGP), providing high-volume citizen services at district and sub-district levels
- The **Government of Bihar** designed the **e-District** project which is executed by the Department of Information Technology (DIT) using ServicePlus framework for efficient service delivery

Strengthening e-Service Delivery in North Eastern States

- DARPG facilitated 2-days of meetings on February 19-20, 2024 between Senior Officials of **Government of Manipur** and **Government of Jammu & Kashmir** in strengthening the unified service delivery portal of Manipur

Common e-Services

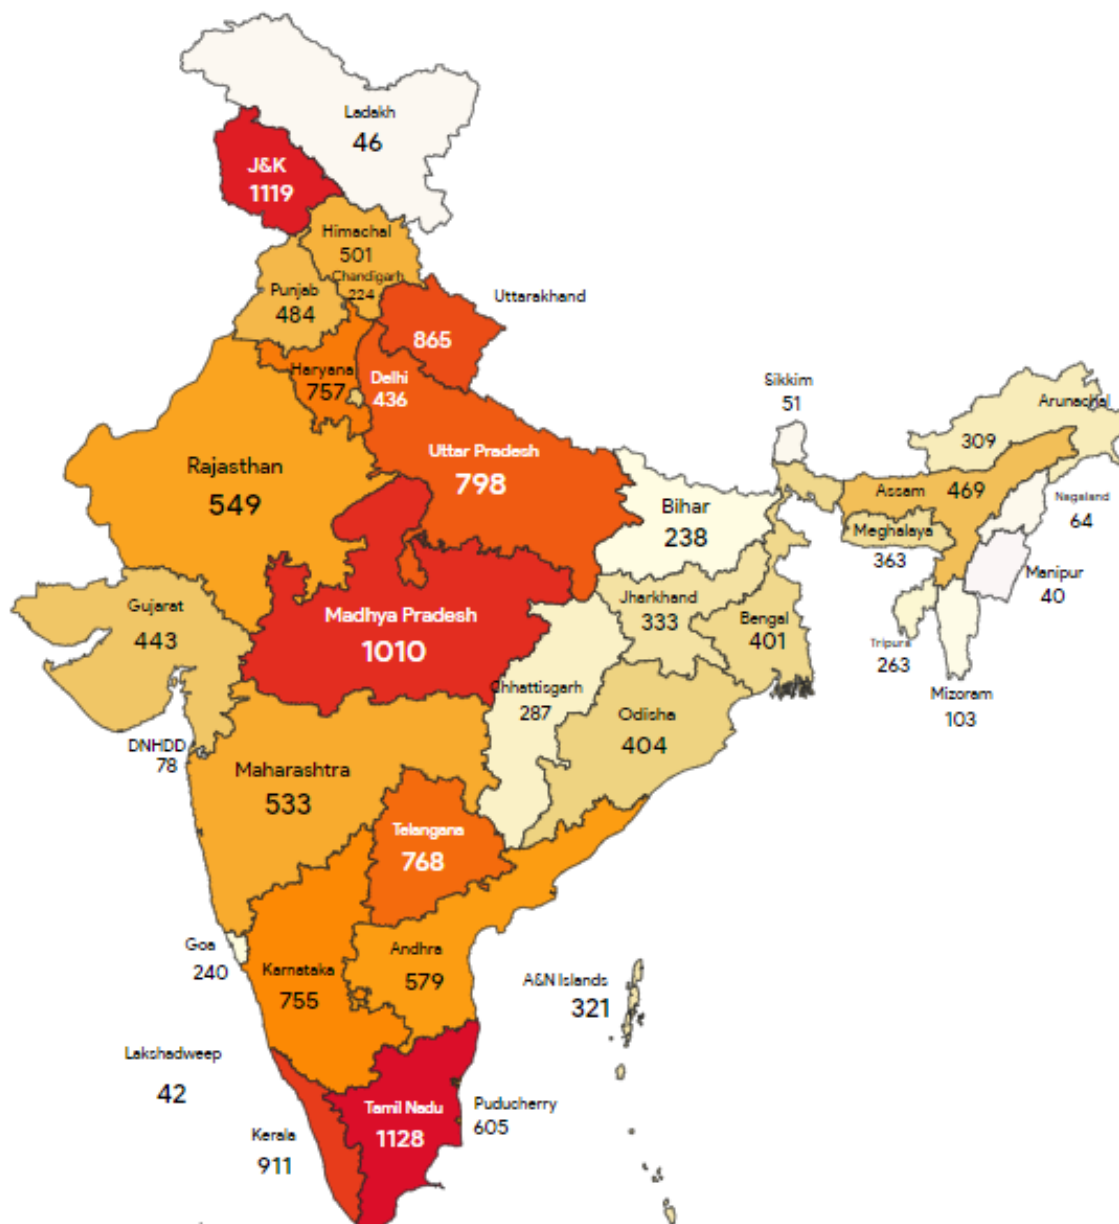

- **9** States/UTs have mapped their common e-services on NeSDA Way Forward Dashboard
- List of **Identified Common e-Services** is attached in **Annexure 9.2**

Improvement in Quality of Service Delivery

- Aligning with the contemporary digital government trends across the world and citizens' need, three new additional assessment parameters have been included in NeSDA framework, namely, **Open Government Data, e-Participation** and **Leveraging Emerging Technologies**

3. Review of Status of Implementation in States/UTs

Status of e-Services
As per inputs on *NeSDA – Way Forward* dashboard

Total e-Services
16,517

Note: The aforementioned figures are uploaded by States/UTs as of 05/03/2024.

Status of e-Services
As per inputs on NeSDA – Way Forward dashboard

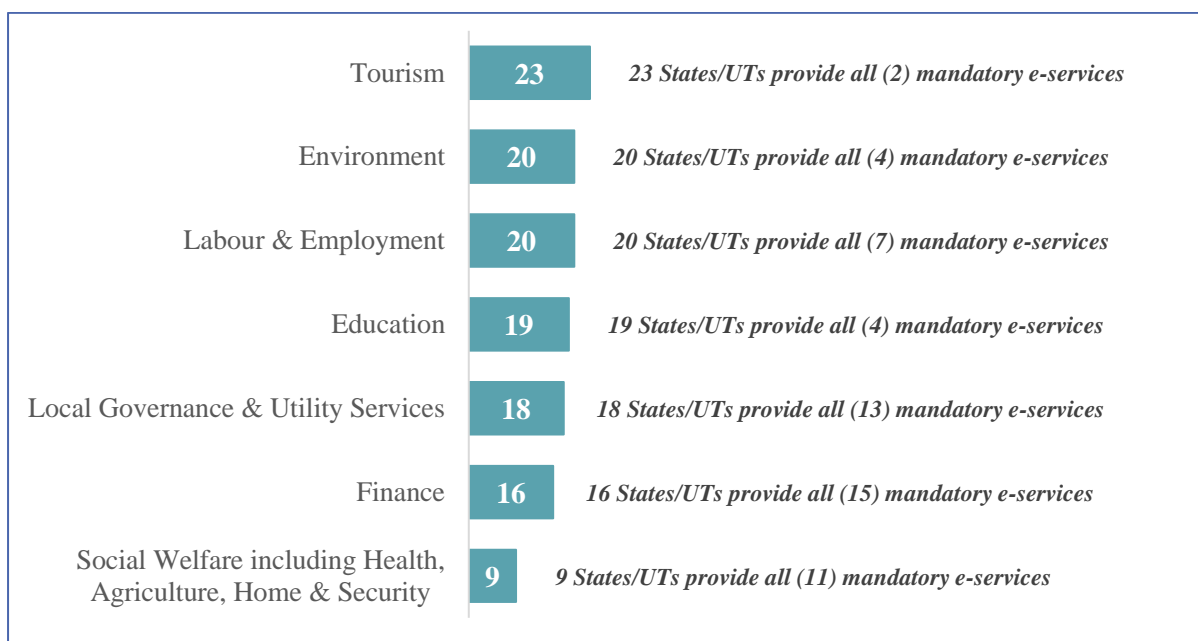

Monthly progress of status of e-services across States/UTs is attached in **Annexure 9.1**.

Note: The aforementioned figures are uploaded by States/UTs as of 05/03/2024.

Sector-wise consolidated status of e-services across States/UTs

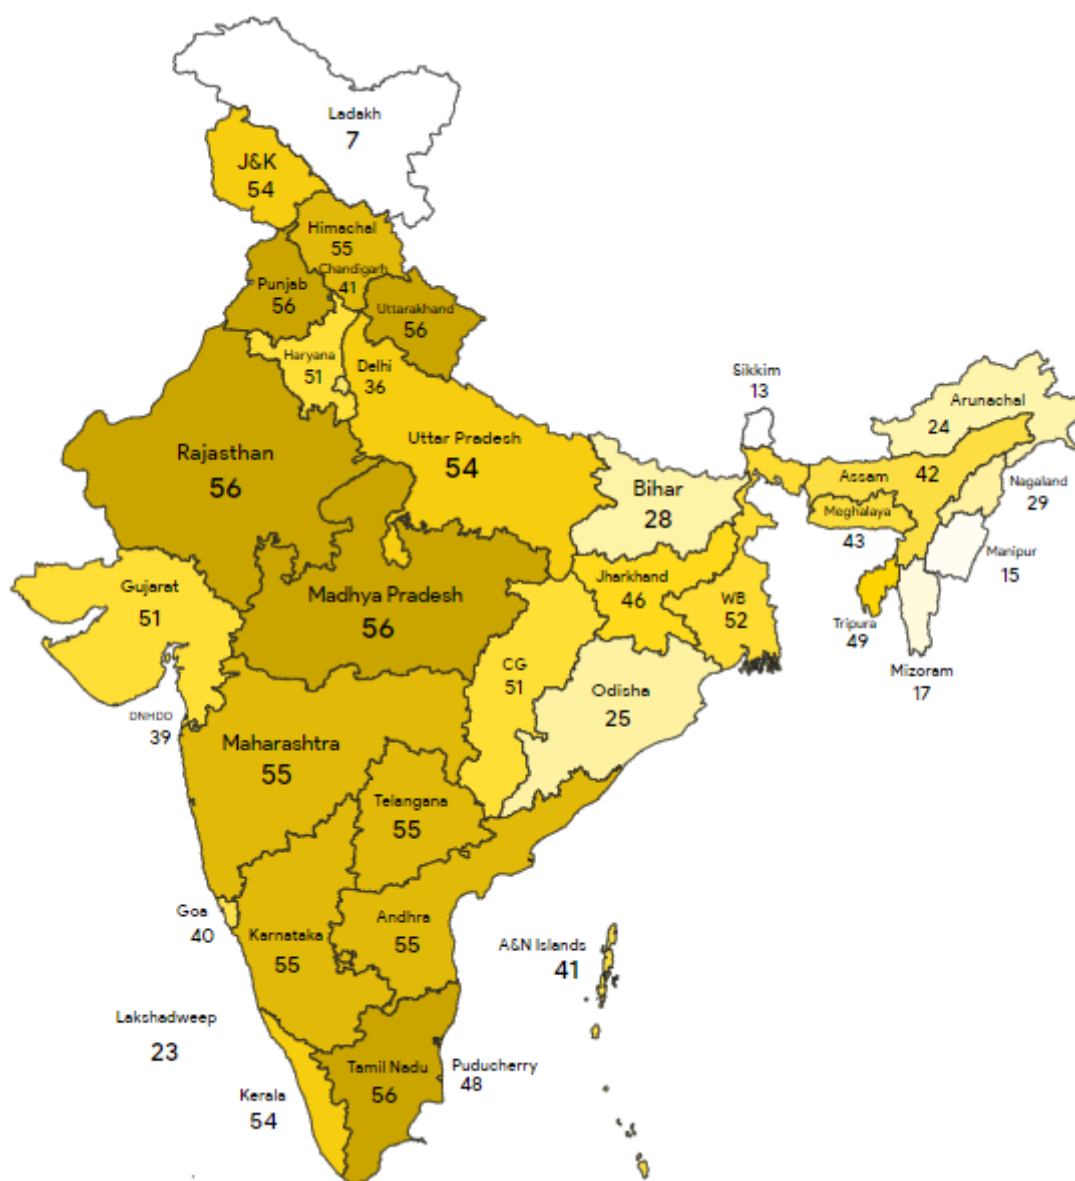

Sector-wise saturation status of mandatory e-services across States/UTs

Note: The aforementioned figures are uploaded by States/UTs as of 05/03/2024.

**Status of 56 Mandatory e-Services
As per inputs on NeSDA – Way Forward dashboard**

**Mandatory e-Services
1,528**

Note: The aforementioned figures are uploaded by States/UTs as of 05/03/2024.

Status of 56 Mandatory e-Services
As per inputs on NeSDA – Way Forward dashboard

Note: The aforementioned figures are uploaded by States/UTs as of 05/03/2024.

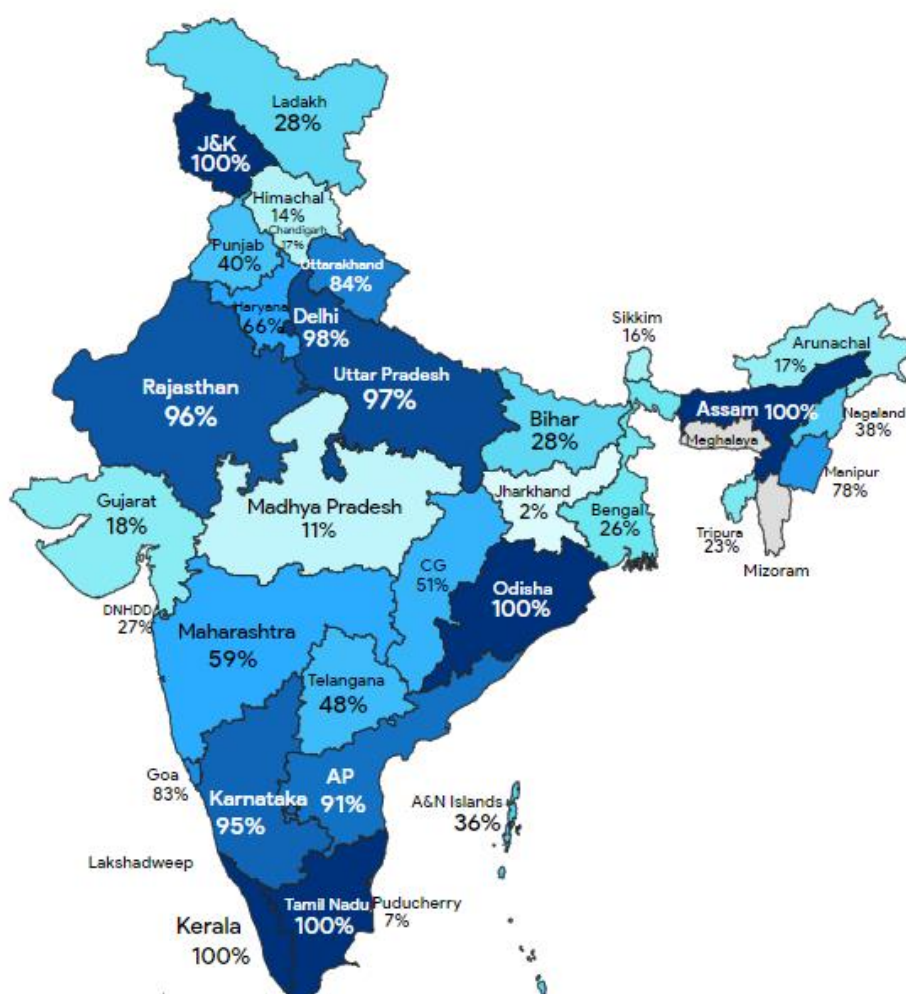

4. Unified Service Delivery Portal

4.1. Saturation Status

DARPG actively encourages States/UTs to enhance their e-service delivery capabilities and promote the provision of e-services through a unified service delivery portal with the objective of promotion of faceless and suo-moto entitlement based delivery of services to bring citizens and Government closer using technology.

A unified service delivery portal seamlessly integrates services across Departments to provide better governance and service availability. These help ensure that all citizen entitlements are available on the cloud, enhance the ease of doing business, and integrate a number of technologies for development activities.

**Share (%) of e-Services
Available on Identified Single Unified Service Delivery Portal**

State/ UT	Identified Single Unified Portal	URL	e-Services on Single Unified Portal % (count)
Tamil Nadu	e-Sevai	tnesevai.tn.gov.in	100% (1128)
J&K	e-UNNAT	eunnat.jk.gov.in	100% (1119)
Kerala	e-Sevanam	services.kerala.gov.in	100% (911)
Assam	Sewa Setu	sewasetu.assam.gov.in	100% (469)
Odisha	Odisha One	odishaone.gov.in	100% (404)
Delhi	e-District	edistrict.delhi.gov.in	98% (426)
Uttar Pradesh	Nivesh Mitra & e-District	niveshmitra.up.nic.in & edistrict.up.gov.in	97% (774)
Rajasthan	e-Mitra	emitra.rajasthan.gov.in	96% (529)
Karnataka	Seva Sindhu	sevasindhu.karnataka.gov.in	95% (721)
Andhra Pradesh	AP Seva	vswsonline.ap.gov.in	91% (524)
Uttarakhand	Apuni Sarkar	eservices.uk.gov.in	84% (724)
Goa	Goa Online	goaonline.gov.in	83% (199)
Manipur	e-District	eservicesmanipur.gov.in	78% (31)
Haryana	Saral Haryana	saralharyana.gov.in	66% (503)
Maharashtra	Aaple Sarkar	aaplesarkar.mahaonline.gov.in	59% (314)
Chhattisgarh	e-District	edistrict.cgstate.gov.in	51% (147)
Telangana	MeeSeva	ts.meeseva.telangana.gov.in	48% (365)
Punjab	Connect Punjab	connect.punjab.gov.in	40% (196)
Nagaland	e-District	edistrict.nagaland.gov.in	38% (24)
A&N Islands	e-District	edistrict.andaman.gov.in	36% (114)
Ladakh	e-Seva	eseva.ladakh.gov.in	28% (13)
Bihar	RTPS Bihar	serviceonline.bihar.gov.in	28% (66)
DNHDD	Single Window Portal	swp.dddgov.in	27% (21)
West Bengal	e-District	edistrict.wb.gov.in	26% (105)
Tripura	e-District	edistrict.tripura.gov.in	23% (60)
Gujarat	Digital Gujarat	digitalgujarat.gov.in	18% (81)
Chandigarh	Service Plus	serviceonline.gov.in	17% (39)
Arunachal Pradesh	Arunachal e-Service	eservice.arunachal.gov.in	17% (53)
Sikkim	Sikkim SSO	sso.sikkim.gov.in	16% (8)
Himachal Pradesh	e-District	edistrict.hp.gov.in	14% (69)
Madhya Pradesh	MP Online	mponline.gov.in	11% (109)
Puducherry	e-District	edistrict.py.gov.in	7% (44)
Jharkhand	Jharsewa	jharsewa.jharkhand.gov.in	2% (8)
Meghalaya	Meghalaya Online	meghalayaonline.gov.in	-

Note: The aforementioned details of single unified portals are as informed and uploaded by States/UTs on NeSDA – Way Forward dashboard, as of 05/03/2024. Lakshadweep and Mizoram do not have a single unified services portal. States that have not uploaded their services' URL through their single unified service portal on NeSDA – Way Forward dashboard are marked (-)

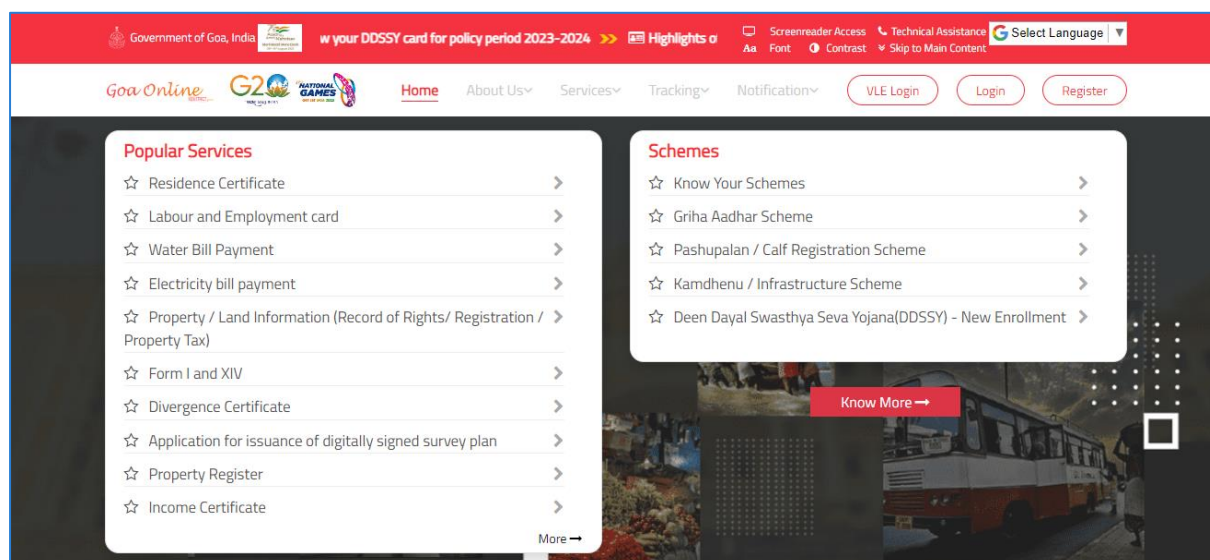

4.2. Best Practices – Unified Service Delivery Portal

A trend has been observed towards integration of portals for citizen service delivery as unified portals for service delivery have been developed by several nationalities and States/UTs. These provide users a unified access point for a variety of services and lie in the best practices that NeSDA encourages. By seamlessly integrating services across departments or jurisdictions, they provide better governance and service availability. These also help ensure that all citizen entitlements are portable and available on the cloud. Many of these portals have also digitally transformed services to enhance ease of doing business at the National/ State / UT level and unified a variety of technologies, both established and emerging, for decision support and development activities.

Unified and seamless delivery of services is a core tenet of the NeSDA framework and strengthening such portals will enhance the digital empowerment of citizens. Some of the portals and digital initiatives that are highlighted in this section for best practices in unified service delivery include the following:

S.No.	State/UT	Initiative Name
1	Goa	Goa Online
2	Maharashtra	Aaple Sarkar
3	Chhattisgarh	Chhattisgarh e-District
4	Telangana	MeeSeva
5	A&N Islands	Andaman e-District
6	Bihar	Service Online

4.2.1. Goa Online

<https://goaonline.gov.in/>

The Government of Goa has developed Goa Online to make all government services accessible to the common citizen in their locality through common service delivery outlets.

Key Features

- ✓ Login and Dashboard for Citizen and Administrator
- ✓ Facility to help in choosing services and know the applicable services
- ✓ Department-wise categorized e-services and their details available
- ✓ Provision to track Application status using acknowledgement number
- ✓ Integrated with DigiLocker
- ✓ Detailed dashboard view available for e-service application status
- ✓ Available contact and helpdesk details
- ✓ Provision to give feedback
- ✓ Functionality to change screen font size and contrast
- ✓ Detailed Accessibility menu available, making it user friendly

4.2.2. Aaple Sarkar

The screenshot displays the Aaple Sarkar web portal interface. At the top, there is a navigation bar with links: HOME, ABOUT RTS COMMISSION, DEPARTMENT NOTIFIED SERVICES, EASE OF DOING BUSINESS, SERVICE INFORMATION, CONTACT US, SEWA KENDRA, and DASHBOARD. Below this, a banner reads 'SERVICES AVAILABLE ONLINE' with a 'Know Your Benefits' dropdown. A search bar is present with the text 'Click below services for details' and 'Toggle auto scrolling'. The main content area is divided into two columns of service tiles. The left column, under 'Revenue Department', includes: Age Nationality Domicile, Temporary Residence Certificate, Solvency Certificate, Certified Copy, LandLess Certificate, General Affidavit, and Non Creamy Layer. The right column includes: Income Certificate, Senior Citizen Certificate, Cultural Programme Permission, Small Land Holder Farmer Certificate, Agriculturist Certificate, Certificate of Residence in Hilly Area, and Caste Certificate. On the right side, there are additional links: FAQs & Answers on Maharashtra Right to Public Services Act, Annual Report 2021-2022, and a login section with 'New User? Register Here', 'VLE Login', and 'Already Registered? Login Here'. A captcha section with 'NS VNB' is also visible. At the bottom right, there are links for 'TRACK YOUR APPLICATION', 'VERIFY YOUR AUTHENTICATED CERTIFICATE', 'CALL CENTER', and 'APPLICATION FOR APPEAL THREE'. A note at the bottom right states: 'Please note that no physical visit is required for obtaining services on this portal unless mandated by law for the service.'

<https://aaplesarkar.mahaonline.gov.in/>

The Government of Maharashtra has designed *RTS Maharashtra* mobile app or *Aaple Sarkar* Web Portal to allow citizens access to information regarding services available under RTS Act. In case of delay in service delivery without adequate justification, citizens can file first and second Appeal with senior officers within the department and third and final Appeal can be filed before the Commission.

Key Features

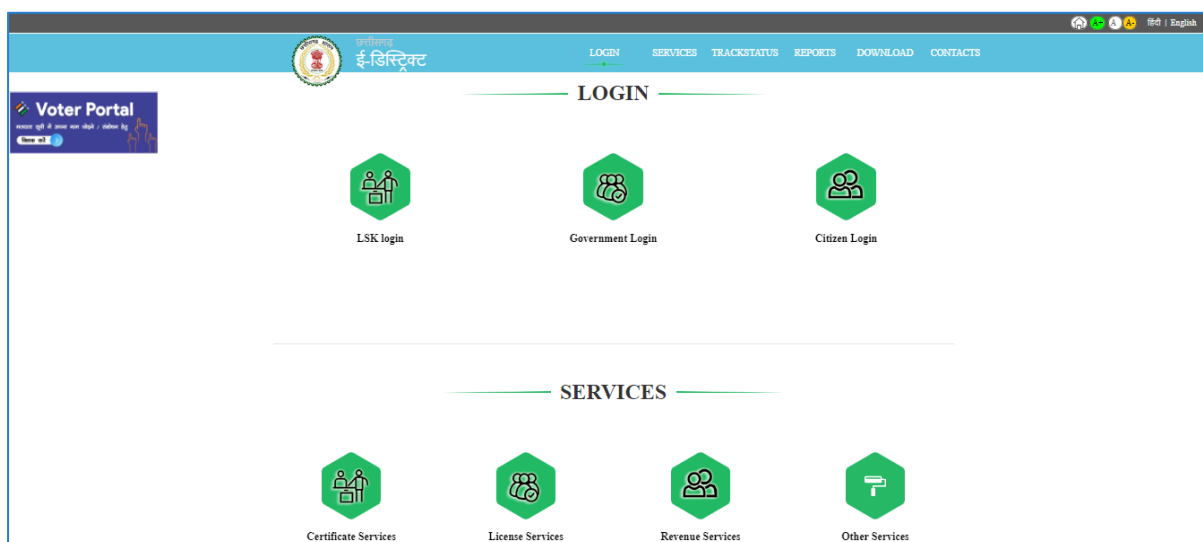

- ✓ Login and Dashboard for Citizen and VLE
- ✓ Integrated with DigiLocker, Aadhaar and Pay Gov India
- ✓ Department-wise categorized e-services and their details available
- ✓ Facility to locate Sewa Kendra
- ✓ Provision to track Application status using Application ID
- ✓ Detailed information on EoDB Acts, Policies and Reforms
- ✓ Detailed dashboard view of statistics
- ✓ Compliant with W3C
- ✓ Available links of mobile app on Android (Google Play Store) and iOS (App Store)
- ✓ Available in English, Marathi
- ✓ Available Contact, Helpline and FAQs

4.2.3. Chhattisgarh e-District

<https://edistrict.cgstate.gov.in/>

The Government of Chhattisgarh has embarked on an e-governance initiative within the state. This initiative, known as the Chhattisgarh e-District project, aims to enhance transparency, efficiency, and deliver high-quality and timely services to its citizens. The project was officially launched on February 27th, 2015. The website offers services including applications, status reports, downloads, and contact information, and the services are available 24/7 and there is a mobile app.

Key Features

- ✓ Integrated with Chhattisgarh Right to Service (RTS) Act
- ✓ Service Level Monitoring as per the standards set by the Lok Sewa Guarantee Act 2011
- ✓ Application Status Tracking
- ✓ Citizen Login and Service Access
- ✓ System-generated SMS alerts
- ✓ Statewide Service Status Dashboard
- ✓ Dashboards and reports are updated daily
- ✓ Multilingual Support
- ✓ Mobile App Availability
- ✓ Easy access to Citizen Service rules
- ✓ Currently, 126 services are available through the Chhattisgarh e-District portal

MeeSeva Certificate (Application No)

MeeSeva Certificate (Application No)

<https://ts.meeseva.telangana.gov.in/>

MeeSeva, meaning "At Your Service" in Telugu, embodies the Government of Telangana's commitment to good governance. Aligned with the National eGov Plan's vision of "Public Services Closer to Home," MeeSeva offers a single, unified portal for a comprehensive range of Government-to-Citizen (G2C) and Government-to-Business (G2B) services. Citizens can access MeeSeva services through various channels - the online portal, MeeSeva service centers, or the T App Folio mobile application.

Key Features

- ✓ Prominent Alert Messages are clearly highlighted to keep users informed
- ✓ Department-Specific Search to find relevant services
- ✓ Government orders, policy documents, and other helpful materials are readily available
- ✓ Open access to the MeeSeva cyber security policy and the Telangana open data policy
- ✓ MeeSeva Center Locator, an interactive map
- ✓ Homepage Highlights the latest updates and announcements
- ✓ MeeSeva Request Tracking System (MRTS) allows to track status of the applications
- ✓ Process Reopening of a closed application by providing the application number
- ✓ Citizen needs to create an account to avail various government service through portal

4.2.5. Andaman e-District

<https://edistrict.andaman.gov.in/>

In the Andaman and Nicobar Islands, the e-District project is a Mission Mode Project (MMP) established under the national National e-Governance Plan (NeGP) which is implemented by SOVTECH. This MMP specifically targets high-volume citizen-centric services delivered at the district and sub-district levels that are not covered under other Mission Mode Projects. As part of the project's implementation, 78 identified citizen services across various departments are planned for development and deployment in the Andaman and Nicobar Islands.

Key Features

- ✓ Login and personalized dashboards provide citizens with a convenient and organized experience for accessing services
- ✓ Department-wise categorization of e-services with detailed descriptions
- ✓ Citizens can track the application status using their unique application number
- ✓ Feedback mechanism allows users to provide valuable insights for improvement
- ✓ Query raising provision enables citizens to seek clarification on specific services
- ✓ Dedicated contact information, a helpline number, and a Frequently Asked Questions (FAQ)
- ✓ The portal adheres to W3C standards, ensuring accessibility and optimal user experience across different browsers
- ✓ Supported browsers include Firefox (version 24.0 and above), Google Chrome (version 35.0 and above), and Safari (version 6.0 and above)

Application Submission for e-Services of Bihar

Joint initiative to provide government services in a transparent and convenient manner within specified time through an online e-Service delivery portal for ease of living.

Visit Official's Portal <https://serviceonline.bihar.gov.in/officials> for Application Processing.

Important Information

- This portal has been integrated with MeriPehchaan National Single Sign-On (NSSO). Please refer "Usage Instructions - MeriPehchaan (NSSO) Login process for ServicePlus existing users" kept in "Self Support Section" before login here.
- Applicants need not go to Public Service Centre (RTPS Counter) / Office. They can avail e-Services online.
- Certificate / licence will be sent to applicant through (i) Download link in SMS, (ii)

<https://serviceonline.bihar.gov.in/>

e-District Bihar is a Mission Mode Project (MMP) implemented under the National e-Governance Plan (NeGP) of the Ministry of Electronics & Information Technology (MeitY), Government of India. This initiative focuses on delivering government services conveniently to citizens and businesses, acting as a one-stop shop accessible from anywhere.

The project is executed in Bihar by the Department of Information Technology (DIT), grievance redressal software framework developed by the National Informatics Centre (NIC) of India. This framework allows for a streamlined and efficient implementation of the e-District project in Bihar.

Key Features

- ✓ Integrated with various government platforms: MeriPehchaan (National Single Sign-On), Service Plus, NIC e-Mail, C-DAC SMS service, Aadhaar demographics, UIDAI OTP authentication, OGRAS payment gateway, DigiLocker, DSCSign, e-Sign, RAS, and e-Taal
- ✓ Login and personalized dashboards for citizens
- ✓ Department and sector-wise categorization of e-services
- ✓ Multilingual Accessibility
- ✓ Citizens can track the application status using a unique reference number

5. Strengthening e-Service Delivery in North Eastern States

One of the primary objectives of NeSDA is to analyse India's e-governance progress, promoting the expansion of e-services and the utilization of unified service delivery portals. In line with NeSDA, DARPG aims to overhaul the e-service delivery landscape in North Eastern States, facilitating enhancements in their overall NeSDA scores.

To achieve this goal, the North Eastern States may consolidate all e-services under their flagship unified service delivery portals to ensure ease of access and efficient delivery. This can be done by identifying and addressing the challenges faced in integrating e-services and seeking solutions collaboratively by conducting meetings to integrate with Service Plus/My Scheme (Ministry of Electronics and Information Technology) for portal infrastructure, if necessary.

With this aim, on the request from the Government of Manipur, DARPG coordinated 2-days of meetings on February 19-20, 2024 between Senior Officials of Government of Manipur and Government of Jammu & Kashmir to strengthen the unified service delivery portal of Manipur. Senior Officials of MeITY and DARPG also participated in the 2-day deliberations. Following extensive discussions, the roadmap for improvements and increase in e-services in Government of Manipur was formulated. Government of Manipur aims to enhance its e-governance infrastructure to improve public service delivery efficiency, to significantly expand its online service portfolio, from 35 to 150 in the first phase covering the Departments of Revenue, Home, Industry & Commerce, Social Welfare, PWD, and PHED. By broadening the scope of online services, Manipur aims to enhance accessibility and efficiency, thereby improving the overall experience for citizens interacting with government agencies. The collaborative efforts between Manipur and Jammu & Kashmir have resulted in the development of a comprehensive roadmap.

Meeting of Senior Officials of Government of Manipur and Government of Jammu & Kashmir on 19th February 2024

6. Common e-Services

In line with the objective of NeSDA Way Forward to enhance the e-service delivery experience nationwide, DARPG has embarked on a collaborative initiative with the Chief Commissioners and Appellate Officers of the Right to Service (RTS) Act across various States/UTs. The department held two virtual meetings on 16.06.2023 and 09.10.2023, respectively.

As per the deliberations with RTS Chief Commissioners, the initiative was taken to identify and maximise the scope of mandatory e-services and help States/UTs to expand the provision of high-volume e-services. DARPG has identified a set of 154 Common e-Services, and introduced it on the *Common Services* Tab on the *NeSDA Way Forward* dashboard, in September 2023.

All States/UTs are requested to map their common services on NeSDA Way Forward Dashboard.

7. Improvement in Quality of Service Delivery

Aligning with the contemporary digital government trends across the world and citizens' need, three new additional assessment parameters have been included in NeSDA framework, namely, *Open Government Data*, *e-Participation* and *Leveraging Emerging Technologies*.

These parameters have been identified as crucial components in advancing transparency, citizen engagement, and innovation in government services. Therefore, it is imperative that all States/UTs integrate these parameters into their respective State/UT portal, as per the guidelines mentioned below.

1. **Open Government Data (OGD):** Proactive access to government-owned shareable data and its usage information in-line with regulatory frameworks
 - A dedicated OGD portal or published datasets on OGD platform (data.gov.in)
 - Integration of the OGD platform link on the State/UT portal
 - Appointment of a Chief Data Officer that oversees data-related initiatives
 - Highlighted & publicly accessible datasets of at least four sectors of NeSDA 2023
 - Provision for downloading GIS maps and geospatial data
 - Allow public to request for new datasets
 - Presence of tutorials, guidance materials, and videos on using the OGD portal
 - Documentation of events organized by the State/UT to engage the developer community on the OGD portal and State/UT portal
2. **e-Participation:** The interaction between governments and citizens through *ICTs* to empower citizens to co-design policies and services
 - Published e-Participation policy on the State/UT portal
 - Establishment of a dedicated e-Participation portal or sub-site in MyGov portal
 - Integration of the e-Participation portal link on the homepage of the State/UT portal
 - Inclusion of calendar and outcomes of all upcoming e-Participation and e-Consultation activities on the homepage of the e-Participation portal
 - Presence of tutorials, guidance materials, and videos on using the portal
 - Documentation of events organized by the State/UT to raise awareness about e-Participation and e-Consultation initiatives on e-Participation portal & State/UT portal

3. Leveraging Emerging Technologies: The strategic adoption of emerging technologies for digital government development and enhanced service delivery

- Presence of the State/UT's strategy document/approach for leveraging *AI* and other emerging technologies like *Blockchain, IoT, Big Data, Robotics, Augmented Reality, Virtual Reality* or *5G* on State/UT portal
- Provision of AI-based Service Chatbot (English & local language) on State/UT portal
- Documentation of any other emerging technologies adopted in service delivery on State/UT portal

These three additional parameters will now be monitored in the NeSDA Way Forward, which serves as a preparatory platform for NeSDA 2025. The provision to update the status of implementation of these parameters will be enabled on the NeSDA Way Forward Dashboard shortly.

8. Media Outreach

DARPG releases the Annual NeSDA Way Forward Report for 2023 – Significant progress achieved in e-Services Delivery by States/ UTs

3 Regional Conferences organized on e-Governance in Bhopal, Mumbai and Guwahati

16,487 Total e-services are provided across States/UTs

9 NeSDA Way Forward Monthly Reports for States/UTs published

Jammu and Kashmir provides the maximum (1117) number of e-Services, across States/UTs

76% Mandatory e-services are available i.e., 1,528 out of 2,016 (56*36 States/UTs), an increase from 69% under NeSDA 2021

Meetings with RTS Commissioners / Appellate Officers for improving e-Services delivery

A brainstorming session was conducted on 04.01.2024 on the theme- Emerging and Future e-Governance Initiatives, e-Commerce Initiatives, and Emerging Technologies

DARPG coordinated two days of meetings on February 19-20 between senior officials of Manipur and Jammu & Kashmir in strengthening the unified service delivery portal of Manipur.

The Department of Administrative Reforms and Public Grievances (DARPG) has undertaken the National e-Governance Service Delivery Assessment (NeSDA) way forward with the aim to saturate e-services and promote the utilization of unified service delivery portals.
