NeSDA -Way Forward

Monthly Report for States/UTs | June 2023

Department of Administrative Reforms and Public Grievances

Contents

1. Objective

DARPG monitors the implementation of recommendations given in the NeSDA 2021 report through monthly review meetings and e-governance conferences in which all States/UTs/Central Ministries/Departments participate. This monthly report institutionalises the nation's endeavours for improved delivery of e-services and prepare States/UTs for NeSDA 2023

The objective of the monthly progress report is as follows:

A. Saturation of e-services
- Provision of all identified 56 mandatory e-services in all States/UTs
- Increase in delivery of total number of e-services provided
- Identification of all G2B and G2C services provided

B. Promote faceless and suo-moto entitlement-based delivery of services
Monitor improvement in the number of services provided facelessly, i.e., without any physical visits, paperwork and human intervention. Provision of e-services to the citizens as per their entitlement, based on their socio-economic status

C. Unified Portal
Encourage provision of all e-services in a State/UT through a single unified portal

D. Identification of bottlenecks and dissemination of best practices
Recognize the existing knowledge gaps and bring government and citizens closer through next generation administrative reforms. Learn from best practices to inspire and upgrade the existing e-service delivery mechanisms in place

```
                    NeSDA 2021 Way Forward
           ┌──────────────────┼──────────────────┐
      All States      All Union Territories   All Central Ministries
```

2. Introduction

DARPG has designed the *NeSDA – Way Forward* dashboard to monitor the status of implementation of recommendations of NeSDA 2021, in line with the focus areas of e-governance. The NeSDA framework covers G2C and G2B services across seven sectors, viz., Finance, Labour & Employment, Education, Local Governance & Utility Services, Social Welfare (including Health, Agriculture & Home Security), Environment (including Fire) and Tourism.

The June Monthly Report for States/UTs incorporates sector-wise analysis of e-services approach and presents deeper insights into services of Environment sector. The report highlights the sub-themes of e-services in Environment sector and the number of e-services provided by each State/UT under each sub-theme.

The common citizen-centric sub-themes of e-services in environment sector are identified across all States/UTs which encompass a wide range of e-services.

The aim of sector-wise analysis is to:

- Identify the major sub-themes/categories of e-services in each sector that may be provided by all States/UTs
- Set benchmark of the number of e-services that can be provided in a State/UT
- Enable all States/UTs to increase their number of e-services through information dissemination

The NeSDA Way Forward Monthly Report for States/UTs, June 2023 is based on the inputs provided by States/UTs on *NeSDA – Way Forward* dashboard, as of 10th July, 2023.

Status of e-services	Sector-wise analysis of e-services	Best practices that can be replicated

3. Key Highlights

General

- Secretary, DARPG held a meeting with Right to Service Chief Commissioners from States/UTs on 16th June, 2023 to discuss the scope of improvement in e-service delivery under the NeSDA framework
- A review meeting was held with all States/UTs on 12th July, 2023 under the chairmanship of Joint Secretary, DARPG. The purpose of the meeting was to:
  - Review the progress made under NeSDA Way Forward
  - Emphasise the importance of unified portals, faceless and suo-moto based delivery of services
  - Introduce and obtain feedback on identified 164 common services
    (Refer to annexure 8.2.: List of common services)

e-Services

- **13,051** e-services are provided across States/UTs, which is an **increase of 9.6%** (1,149) services from May Report
- Maximum number of e-services (**4,846**) lie in sector – local governance & utility services

e-Services in Environment Sector

- **439 e-services** are mapped under environment sector
- Identified sub-themes of e-services in environment sector are
  - 152 e-services under *Environment related Permissions*
  - 113 e-services under *Waste Management Authorization*
  - 90 e-services under *Forest and Wildlife*
  - 81 e-services under *Plan Approval*
  - *3 e-services under Other*
- Jharkhand provides the maximum e-services in environment sector (**52**), which is followed by Madhya Pradesh (**32**) and West Bengal (**29**)

Best Practices

- The **Government of Kerala** has development an intricate network of Common Service Centres (CSC), named **Akshaya e-Kendra**. It delivers G2C, G2B and B2C services under a single roof and also provides banking/insurance services through kiosks and micro-ATMs

- The **Government of Rajasthan** has built a single window for citizens to access all **Rajasthan tourism** related information. Around 12,000 citizens have downloaded the Rajasthan Tourism app

- The **Government of Himachal Pradesh** has launched an e-services portal for **Himachal Tourism** to facilitate the various tourism stakeholders and minimize their footfall in the offices, as a step towards Ease of Doing Business.

- The **Government of Madhya Pradesh** has designed **Automated Layout Process Approval and Scrutiny System (ALPASS)** to provide decision support for layout/planning permission and land use information

- The **Government of Gujarat** has developed **Illegal Mining Tracking System (IMTS)** to monitor sand mining activities and prevent illegal mining with the use of latest remote surveillance and IT enabled technologies.

4. Review of Status of Implementation in States/UTs

5. e-Services under Environment Sector

Out of the seven identified sectors of NeSDA framework, environment sector plays a vital role in promoting ease of doing business, environmental safety measures and sustainability. In an increasingly digital world, integration of all e-services has become essential to maximize efficiency, convenience, and accessibility.

The sector-wise analysis aims to assess and compare the e-services provided across all States/UTs in environment sector through identification of citizen-centric sub-themes and highlighting state-specific opportunities to transition offline services to online platforms.

Embracing digital technologies and fostering partnerships between government agencies, business entities and citizens is crucial to realize the full potential of online services in the environment sector. This may significantly enhance the overall environment e-service delivery.

List of e-services mapped under environment sector by all States/UTs on *NeSDA – Way Forward* dashboard and their allocated sub-theme is attached in Annexure 8.3.

5.1. Identified Common Sub-themes of Services under Environment Sector

Sub theme	e-Services Included
Environment related Permissions	Environmental consent/ permissions/ clearances required for establish, operate, mining, excavation, green star rating, etc.
Waste Management Authorization	The waste management authorization obtained from State Pollution Control Board for collection/ reception/ treatment/ transport/ storage/ disposal of various kinds of wastes/entities.
Forest and Wildlife	Forest and Wildlife related licenses/ clearances/ services such as forest trade license, tree felling, tree transit, forest tourism, etc.
Plan Approval	Pan Approvals required for building and its compliance with applicable codes, indicating it to be suitable for construction or occupancy.
Other	Other miscellaneous e-services such as public grievance and feedback.

5.2. State/UT-wise Categorisation across Sub-themes under Environment Sector

Sub-theme/ State/UT	Environment related Permissions	Waste Management Authorization	Forest and Wildlife	Plan Approval	Other	Total
Jharkhand	16	20	14	2		**52**
Madhya Pradesh	13	10	1	8		**32**
West Bengal	3	13	8	4	1	**29**
Tamil Nadu	8	12	1	4		**25**
Uttarakhand	5	11	5	4		**25**
Uttar Pradesh	12	7	1	4		**24**
Haryana	10	6	2	4		**22**
Goa	11	6	1	4		**22**
Himachal Pradesh	6	7	4	4		**21**

Gujarat			4	2		**6**
Telangana	2			4	1	**6**
Andhra Pradesh				4		**4**
Punjab				4		**4**
Assam	1			2		**3**
Maharashtra			1			**1**
Bihar			1			**1**
Total	**152**	**113**	**90**	**81**	**3**	**439**

Note: *The aforementioned figures of e-services mapped under environment sector are uploaded by States/UTs on NeSDA – Way Forward dashboard, as of 10/07/2023. The department has categorised the mentioned e-services into various environment specific sub-themes.*

5.3. Master List of e-Services under Environment Sector

Based on the study of service details of environment sector, the following general citizen centric sub-themes and master list of environment sector e-services have been identified where online services can be provided across all states and UTs:

Key	Sub-theme Service	Sub-theme
1	Consent to Establish/Operate	Environment related Permissions
2	Mine/Quarry/Extraction/Excavation permissions	
3	Issue Clearance	
4	Renewable Energy	
5	White Category Registration	
6	Green Star Rating	
7	No increase in Pollution Load	
8	Hazardous and other waste	Waste Management Authorization
9	Bio-medical waste	
10	e-Waste and Battery management	
11	Solid waste	
12	Plastic management	
13	Construction and Demolition waste	
14	Forest Trade/Other License	Forest and Wildlife
15	Tree felling/ cutting/ transit permission for Forest/ Non-Forest Land	
16	Tourism	
17	NOC for Forest/Non-Forest Land	
18	Compensation and Wildlife clearance	
19	Letter for distance from Forest	
20	Farm forestry/Forest Nursery	
21	NoC / Plan Approval for Building Permission (business)	Plan Approval
22	NoC / Plan Approval for Building Permission (citizen)	
23	NoC / Plan Approval for Occupancy Certificate (citizen)	
24	NoC / Plan Approval for Occupancy Certificate (business)	

5.4. State/UT-wise Master List of e-Services under Environment Sector

Sub-theme	Environmental							Waste Management Authorization						Forest and Wildlife							Plan Approval				Gap
Service	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24	x

Note: Service name is as per the key in section 5.3 table.
Y- e-Service is available, (blank)- e-Service is not available, Gap- Count of missing services

5.5. Key Analysis: Environment related Permissions Sub-theme

States/UTs have initiated online application for several environmental permissions, licenses and certifications to reduce clearance processing time and monitor control pollution level efficiently.

The key analysis of citizen-centric e-services of environment sector on the basis of **Environment related Permissions** sub-theme is mentioned below**:**

Sub-theme Service	Key Observations
Consent to Establish/Operate	• **Chandigarh, Karnataka, Odisha, Jharkhand, Tamil Nadu, Goa and 11 other States and UTs** issue online consent to establish and consent to operate under Environmental Rules and Acts which is vital to govern the establishment and operation of industrial facilities
Mine/ Quarry/ Extraction/ Excavation permission	• State Mining and Geological Department of **Uttar Pradesh, Haryana, Goa, Madhya Pradesh, Jammu Kashmir, Kerala and Meghalaya allow online application for permission** of mining, quarrying, extraction and excavation activities to regulate the exploitation of natural resources
Issue Clearance	• **Meghalaya, Puducherry, Madhya Pradesh, Haryana and Uttar Pradesh** issue online clearances based on the EIA findings
Renewable Energy	• **Haryana** promotes renewable energy through online application for solar inverters and water pumps
White Category Registration	• **Chandigarh** provides White category registration as a regulatory process for industries with low environmental impact
Green Star Rating	• **Himachal Pradesh** Green Star Rating of Hotels is a certification program for infrastructure projects that demonstrate sustainable design, construction, and operation
No increase in Pollution Load	• **Uttar Pradesh** issue online No increase in Pollution Load i.e., Industrial units undergoing expansion or modernization are required to demonstrate that the proposed changes will not result in a net increase in pollution

These services are crucial to safeguard environment, promote responsible industrial practices and increase compliance with environmental regulations.

States/UTs may provide these services to fast-track clearance processes and achieve environmental sustainability.

5.6. Key Analysis: Waste Management Authorization Sub-theme

Waste management is a critical aspect of environmental sustainability. It poses unique challenges in terms of handling, disposal, and environmental impact. States/UTs provide authorizations for management of a variety of wastes.

The key analysis of citizen-centric e-services of environment sector on the basis of **Waste Management Authorization** sub-theme is mentioned below**:**

Sub-theme Service	Key Observations
Hazardous and Other Waste	• Hazardous waste, such as chemicals, pesticides, and industrial by-products, requires special attention due to its potential harm to human and environmental health • **Jharkhand, Karnataka along with 12 other States/UTs** provide online authorization under Hazardous & Other Wastes Management Rules
Bio-medical Waste	• Safe handling of bio-medical waste generated from healthcare facilities, research institutions, etc., may prevent spread of infections and safeguard public health • **Jharkhand along with 11 other States/UTs** provide online authorization under Bio-Waste Management Rules
e-Waste and Battery Management	• Storage and disposal of e-waste and batteries pose significant environmental and health risks due to their toxic components • **Uttarakhand, Madhya Pradesh, West Bengal along with 8 other States/UTs** provide online authorization to e-waste and battery recycling facilities/ dealers under e-Waste Management Rules
Solid Waste	• Solid waste encompasses household, commercial, and other municipal waste

	• **Uttar Pradesh, West Bengal, Himachal Pradesh and 6 other States/UTs** provide online authorization under Solid Waste Management Rules
Plastic Management	• Plastic waste is a major environmental concern due to its non-biodegradable nature and extensive pollution • **Uttar Pradesh, Haryana, West Bengal, Himachal Pradesh, Goa, and 5 other States/UTs** provide online authorization under Plastic Waste Management Rules
Construction and Demolition Waste	• Construction and demolition waste result from infrastructure development and building activities • **Uttar Pradesh, Goa, Tamil Nadu, Uttarakhand and 3 other States and UTs** provide online authorization under Construction and Demolition Waste Management Rules

Regular monitoring through licensing and public awareness initiatives ensures safe handling, treatment, and disposal of hazardous waste, bio-medical waste, e-waste and battery waste, solid waste, plastic waste, and construction and demolition waste.

States/UTs may provide these services to achieve sustainable waste management practices and protect the environment and human health.

5.7. Key Analysis: Forest and Wildlife Sub-theme

State/UT Forest and Wildlife Departments are committed to protect, restore and promote sustainable use of ecosystems. For the benefit of conservation efforts, they provide multiple services to monitor human activities in forests.

The key analysis of citizen-centric e-services of environment sector on the basis of **Forest and Wildlife** sub-theme are mentioned below**:**

Sub-theme Service	Key Observation
Forest Trade/Other License	• **Gujarat, Himachal Pradesh, Jharkhand, Tripura, Meghalaya and Chhattisgarh** allow application for online forest trade related licenses land diversion proposal under Forest Conservation Act. These licenses are required for timber

	harvesting, bamboo harvesting, non-timber forest product collection, forest-based industries, etc.
Tree Felling/ Cutting/ Transit Permission for Forest/ Non-Forest Land	• **Uttarakhand, Tripura and 10 other States/UTs** issue online permissions for tree felling, cutting, and transit are crucial to regulate the removal of trees from forested or non-forested areas
Tourism	• **Goa, Jammu Kashmir, Rajasthan, and West Bengal** provide online service regarding Tourism in forests, National Park, Biological Park, Wildlife Safari, Sanctuary and wildlife reserves, which is a significant source of revenue
NOC for Forest/ Non-Forest Land	• **Tripura, Haryana, Meghalaya, Arunachal Pradesh, Chhattisgarh and West Bengal** issue NoCs for land possession, land use change, development projects or activities near forested or non-forested areas
Compensation and Wildlife Clearance	• **Kerala** allows citizens to apply for online compensation for cattle loss and damage caused by wildlife attack • **Meghalaya** facilitates online wildlife clearance in forested areas
Letter for Distance from Forest	• **Uttarakhand, Tripura, Tamil Nadu, West Bengal and Bihar** issue letter for distance from Forest for projects or activities located near forest boundaries
Farm Forestry/ Forest Nursery	• **Gujarat and Himachal Pradesh** deliver online services related to farm forestry and forest nurseries which plays a vital role in promoting afforestation, reforestation, and tree planting activities

The environment sector services provided by the government in forest and wildlife related category are crucial for the conservation and sustainable management of forests and wildlife habitats.

States/UTs may provide these services to ensure the long-term preservation of our natural heritage.

5.8. Key Analysis: Plan Approval Sub-theme

Local urban and planning bodies provide plan approvals and issue No Objection Certificates (NOCs) for building permissions and occupancy certificates to both, businesses and citizens.

The key analysis of citizen-centric e-services of environment sector on the basis of **Plan Approval** sub-theme is mentioned below**:**

Sub-theme Service	Key Observation
NoC / Plan Approval for Building Permission (business)	• **18** States/UTs allow online application for plan approval/ NOC for building permissions to businesses which are required for construction of commercial and industrial establishments
NoC / Plan Approval for Building Permission (citizen)	• **21** States/UTs allow online application for plan approval/ NOC for building permissions to citizens which are required for residential construction and renovations
NoC / Plan Approval for Occupancy Certificate (citizen)	• **20** States/UTs allow online application for plan approval/ NOC for occupancy certificate to citizens to ensure compliance with safety standards for residential buildings
NoC / Plan Approval for Occupancy Certificate (business)	• **17** States/UTs allow online application for plan approval/ NOC for occupancy certificate to businesses to ensure compliance with safety standards for commercial and industrial establishments

Plan approval / NoC is a critical step in the development process, ensuring compliance with environmental regulations, safeguard public health and safety and contribute to sustainable development practices.

States/UTs may provide these services to ensure responsible and sustainable urban and rural development.

Note: The aforementioned Key Analysis of various sub-themes is based on e-services mapped under environment sector that are uploaded by States/UTs on NeSDA – Way Forward dashboard, as of 10/07/2023. The department has categorised the mentioned e-services into various environment specific sub-themes.

6. Best Practices

A trend has been observed towards integration of portals for citizen service delivery as unified portals for service delivery have been developed by several States and UTs. These provide users a unified access point for a variety of services and tie into the best practices that NeSDA encourages. By seamlessly integrating services across departments or jurisdictions, they provide better governance and service availability. These also help ensure that all citizen entitlements are portable and available on the cloud. Many of these portals have also digitally transformed services to enhance ease of doing business at the State / UT level and unified a variety of technologies, both established and emerging, for decision support and development activities.

Unified and seamless delivery of services is a core tenet of the NeSDA framework and strengthening such portals will enhance the digital empowerment of citizens. Some of the portals that are highlighted in this section for best practices in unified service delivery include the following:

#	Theme	State/UT	Initiative Name
1	Unified Service Delivery Portal	Kerala	Akshaya e-Kendra
2	Single Window for Tourism	Rajasthan	Rajasthan Tourism
3	Single Window for Tourism	Himachal Pradesh	Himachal Tourism
4	Single Window for Town Planning	Madhya Pradesh	Automated Layout Process Approval and Scrutiny System
5	Single Window for Tracking Illegal Mining	Gujarat	Illegal Mining Tracking System

6.1. Akshaya e-Kendra

http://akshaya.kerala.gov.in/

Akshaya is an ambitious endeavour of the Government of Kerala which was inaugurated by the then hon'ble President of India, Dr. A.P.J Abdul Kalam, on November 18, 2002. *Akshaya Centres* have been emerged as a finest network of effective Common Service Centres (CSC) envisioned to deliver a multitude of G2C, G2B as well as B2C services to the public under a single roof. By bringing ICT to all segments of people, Akshaya acts as a vehicle for improved quality of life, accessibility to information, transparency in governance and overall socio-economic growth.

Unique PPP model, incorporating Kerala state IT mission, district functionaries, local self government institutions and village micro level entrepreneurs

Promotes digital entrepreneurship and foresees the opportunities and its challenges to address the Vathilpady services

Equipped with banking kiosks and micro ATMs to offer the full spectrum of banking and insurance services at the door step of the citizens

e- Learning courses offered to children and adults in association with intel, NIELIT and Apna CSC

Ambassador of the government for all Aadhaar related assistance to the citizen

6.2. Rajasthan Tourism

https://www.tourism.rajasthan.gov.in/
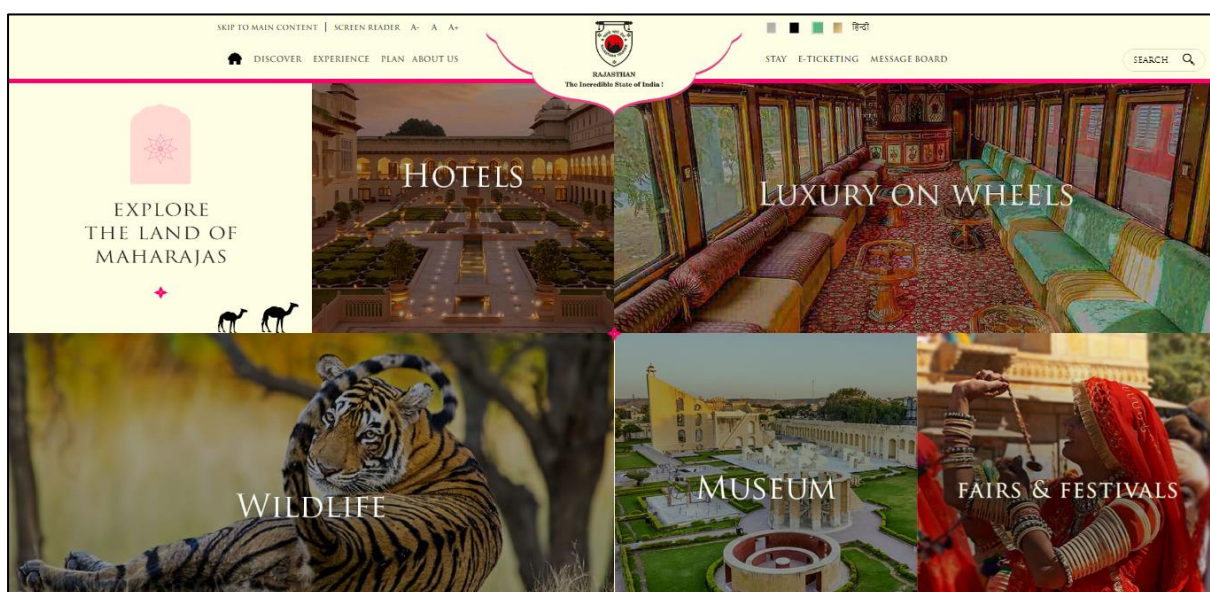

Government of Rajasthan has developed a single window for citizens to access all Rajasthan tourism related information. The portal provides the following details:

Discover	Experience	Plan	Know
Forts	Fairs & Festivals	Best Time to Visit	Travel Advisory Guidelines
Palaces	Luxury On Wheels	How to Get There	Guest House Scheme
Museums	Adventures	Foreign Tourists	SOPs for Film Shooting
Lakes	Heritage Properties	Travel Desk	Acts, Policies and Schemes
Religious Places	Travel Diaries	Packages	Travel Agency Registration Guideline
Wildlife		Suggested Itineraries	Local Level Guides Exams
Memorial			List of Travel Agencies
Destinations			Certificate of Heritage Property 2021
			List of Heritage Certificate

Over 39 Lakh website footfall

~12,000 downloads of mobile application. App seeks tourist spots, based on user's location

Optimized website content to increase visibility

Website provide mutilingual support and is accessible to people visual/audio/motor disabilities

Enable users to leave feedback, reviews, or ratings, helping to build trust and credibility

Include social media links to enable users share real-time updates, photos and experiences

6.3. Himachal Tourism

https://eservices.himachaltourism.gov.in/
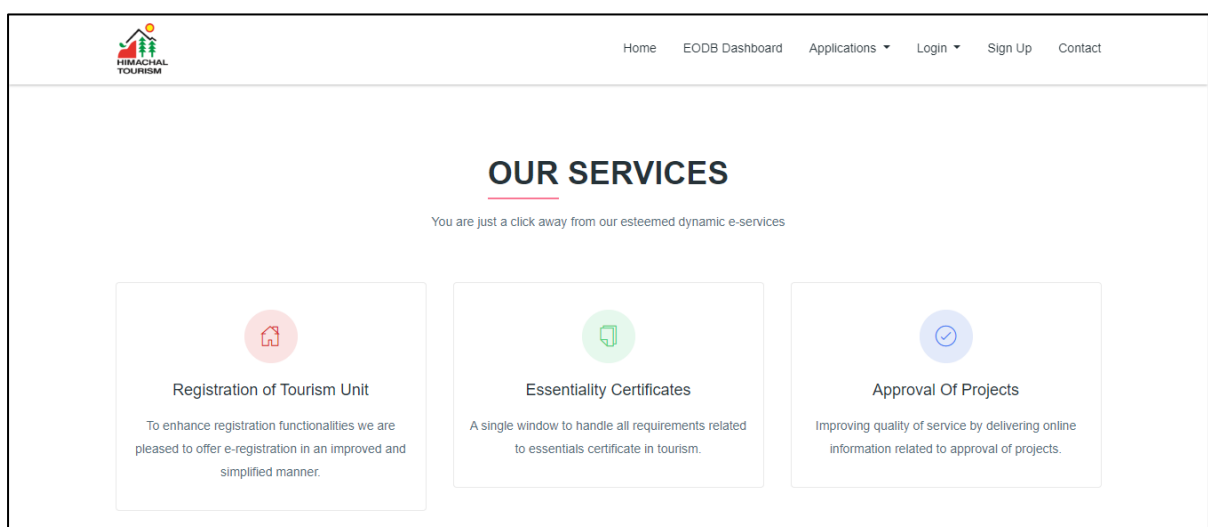

The Department of Tourism & Civil Aviation, Himachal Pradesh has launched an e-services portal in 2021 to facilitate the tourism stakeholders and minimize their footfall in the offices. The portal is a step towards Ease of Doing Business in Himachal Pradesh and allows online processing of registration/renewal of tourism units, approval of rates, project approvals and issuance of essentiality certificates.

Provide G2B and G2C Services, 24/7 for all users

Allows "Office" and "User" Login

Integrated with online payment gateway

Transparent status tracking of submitted application (approved, pending, rejected)

Real time dashboard of services under Ease of Doing Business

14,369 Applications Received

6,868 Applications Approved

1,924 Application Under Process

6.4. Automated Layout Process Approval & Scrutiny System

https://dtcp.mp.gov.in/alpass/Web/
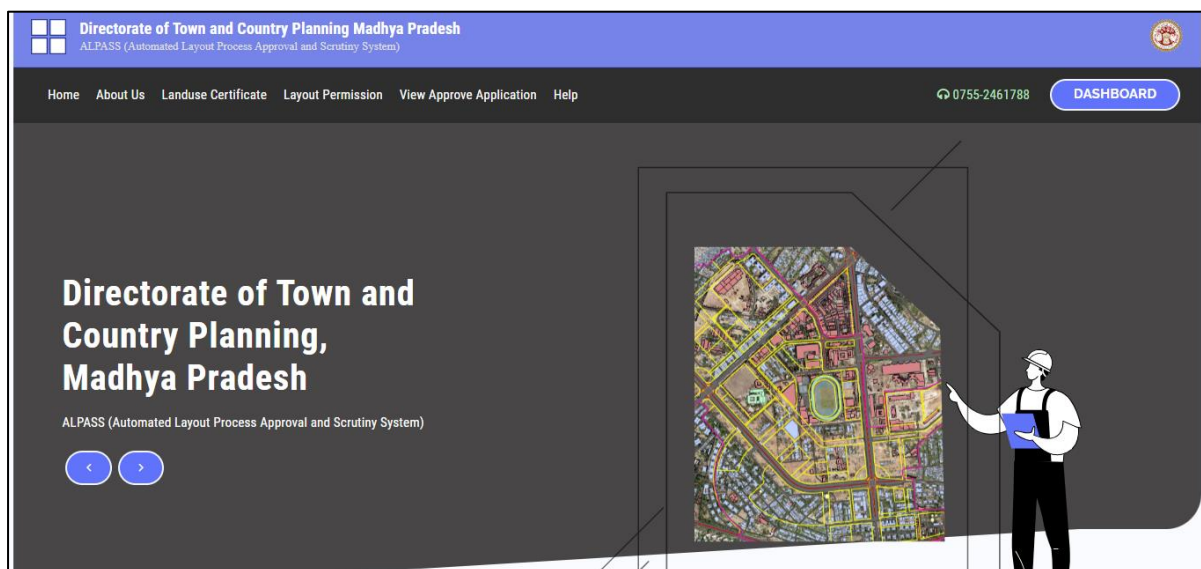

Automated Layout Process Approval and Scrutiny System (ALPASS) is an ambitious project under Directorate of Town and Country Planning (DTCP), Government of Madhya Pradesh. The system provides decision support for layout/planning permission and land use information. Madhya Pradesh has become the first State to grant permission for this type of GIS-based maps.

Th interface to checks all compliance for User/Applicant before application submission

Provides single window facility for approval of layout including interdepartmental NOCs

All the calculations are automated and based on uploaded GIS-based drawings

Mobile App for site inspection where Site Engineers/ Consultants/ Applicants/ Architects get notifications on mobile app and sms/email.

The file processing has become transparent and quick

A dashboard and report module is available to provide overview

| **4,103** Applications Submitted | **2,259** Applications Approved | **Rs. 11 Cr** Revenue Generated |

6.5. Illegal Mining Tracking System

https://cgm.gujarat.gov.in/
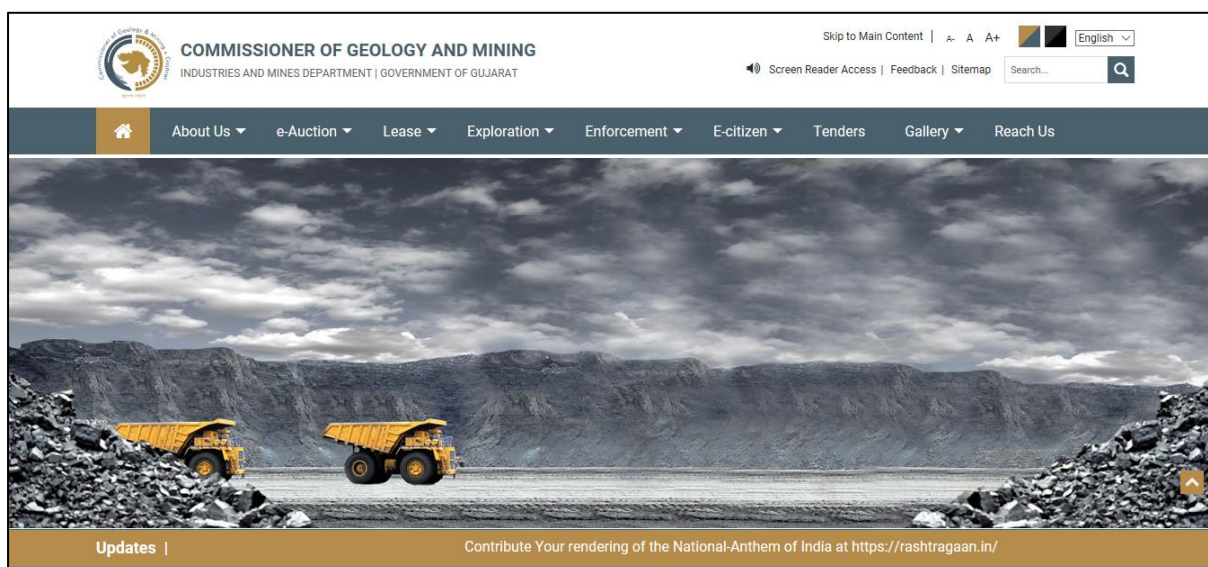

The Industries and Mines Department, Gujarat monitors sand mining activity and prevents illegal mining with the use of latest remote surveillance and IT enabled services - Illegal Mining Tracking System (IMTS). This system restricts haphazard mining. The integration of GPS on excavator with geofencing of lease area has been very successful in monitoring and identifying the violations and gives very precise information which removes ambiguity/confusion.

The following initiatives were undertaken:

GeoMine

- GeoMine application is a mobile & cloud-based application which aims to empower the officials to regulate and ensure compliance, inspection and enforcement of all the mining activities digitally

Vehicle Tracking Monitoring System

- Vehicle Tracking Monitoring System curbs royalty theft and illegal transportation of minerals. Presently the lessee generates a Royalty Transit Pass from the ILMS system

UAV – Drones

- The department is in process of using UAV – Drones in the mining areas for evidence based surveillance purposes. This will provide live streaming of the feeds for monitoring of the ongoing activities

7. Media Outreach

DARPG 🇮🇳 ✓ @DARPG_GoI · Jun 27

#DARPG has released its third-in-line #NeSDA Way Forward monthly report for States/UTs, May 2023!

This report especially features deeper insights and analysis of e-services in the #tourism sector.

45	NOC for issuance/ renewal of License of Arms Dealers
46	Passport Verification
47	Police Clearance Certificate
48	Registration of Foreigners (Arrival and Departure)
49	Issue/Duplicate Detailed Marks Certificate (DMC)
50	Issue/Duplicate Passing Degree
51	Issue/Duplicate Migration Certificate
52	Application for Education Scholarship (G2C)
53	Check examination results online/Online result display (G2C)
54	School Registration (G2B)
55	NOC for Schools (G2B)
56	Application for sports scholarship
57	Application for Registration of Shops and Establishment (G2B)
58	Employee Registration (G2C)
59	Job Seeker Registration (G2C)
60	Job Skill Development (G2C)
61	Employer Registration (G2B)
62	Online Registration of the Cooperative Societies
63	Initial NoC / Plan Approval for Building Permit (citizen) (G2C)
64	Final NoC / Plan Approval for Occupancy Certificate (citizen) (G2C)
65	Initial NoC / Plan Approval for Building Permit (business) (G2B)
66	Final NoC / Plan Approval for Occupancy Certificate (business) (G2B)
67	Issue of No Due Certificate
68	Issue of NoC/ Duplicate Allotment/ Re-allotment Letter
69	Issue/Renewal of Retail Drug Licence (Pharmacy)
70	Issue/Renewal of Wholesale Drug licence
71	Book Accommodation and Transportation
72	Book Tour Package and Tourist Attraction
73	Issue tourist Permits/Pass
74	Registration/ Recognition/ Renewal of Tourism Service Provider
75	Property tax online payment (G2C)
76	Permission for Water Connections (G2C)
77	Building or development permit (G2B)
78	Issue/Renewal of Occupancy Certificate (G2B)
79	Issue/Renewal of NoC for Building (Plan) Construction (G2B)
80	e-Payment of Electricity Bills (Citizen) (G2C)
81	New electricity connection (business) (G2B)
82	Application for Water Connection (business) (G2B)
83	Issue/Renewal of Fire NOC
84	Issue/Renewal of Trade Licence Certificate
85	Issue/Renewal of conveyance deed

86	Issue/Renewal of Licence for providing accommodation
87	Library Membership
88	Record of Rights (ROR) (G2C)
89	Mutation of Revenue Records (G2C)
90	Issuance of Domicile Certificate (G2C)
91	Issuance of Marriage Certificate (G2C)
92	Issuance of Caste Certificate (G2C)
93	Issuance of Income certificate (G2C)
94	Issuance of Encumbrance Certificate (G2C)
95	Appointment for Registrations under Indian Registration Act (G2C)
96	Registration of societies under Societies Registration Act (G2B)
97	Registration of partnership firms under Partnership Firms Act (G2B)
98	Issue/Duplicate/Renew License for Seed and Pesticide and Fertilizer
99	Application for Licence to Manufacture and / or Trade Poultry and Livestock Feed
100	Farmer Registration
101	Farm Mechanization
102	Micro Nutrient Fertiliser
103	Pesticides / Weedicides Distribution
104	Seed Distribution
105	Addition of new class to Driving License
106	Addition/Continuation/Termination of Hypothecation
107	Issue/Renewal of Conductor License
108	No Objection Certificate (NOC) for transfer of vehicles to other states
109	No Objection Certificate for vehicles going outside the State (NOC)
110	Registration of fully built transport vehicles through dealer
111	Registration of Non-Transport Vehicles through Dealer
112	Transfer of ownership for old vehicles purchased within the state
113	Missing Person Registration (G2C)
114	Correction in Birth or Death Record
115	Delayed Birth/Death Registration
116	Inclusion of Child Name in Birth Record
117	Renewal of Arms License (if the license is presented before the expiry date and the license issuing district is the same where service has been sought)
118	Addition/ Deletion of weapon (if the license issuing district is the same where service has been sought) From the expiry of the mandatory notice period of 45 days as provided under the Arms Act
119	Copy of untraced report in cases pertaining to stolen vehicles
120	Copy of untraced report in road accident cases
121	Copy of untraced report in theft cases
122	Online Complaint Registration to Police (G2C)
123	Disposal of Registered Lost Property
124	Extension of purchase period of weapon, (within permissible time period and if the license issuing district is the same where services has been sought)
125	Extension of Residential Permit of Foreigners
