Impact Assessment Of e-District & Common Service Center (CSC) Project

The objective of the project is to assessing impact on outreach, cost of accessing services, quality of services and overall governance affect to the VLE & citizens of the Uttar Pradesh. To achieve this aim as per Work order selected agency have to perform following steps:-

Step- 1 - Visiting of 30% operational CSC Centres across the State.

Step- 2 - Development of Mobile App for online feedback & Dashboard for one year including hosting and other Utilities.

Step- 3 - Document Material for VLE,s DSP, and departmental level.

Step- 4 - Department Service verification

Step- 5 - Submission of Final Assessment Report along with feedback forms and analytical report.

Present Status:-

- ✚ Work order has been issued .
- ✚ **Mobile Application (eAanklanup) & Online Dashboard** has been developed for real time feedback from VLE & Citizens of the State.
- ✚ Training manuals and documents are distributed to VLE & Citizens of the State.
- ✚ Till date more 30K feedback/suggestions/comments are being recorded using **eAanklanup mobile App**
