NITI Aayog

Transformation of Aspirational Districts Programme

North Eastern States Regional Conference on Good Governance Initiatives

Department of Administrative Reforms & Public Grievances & Government of Nagaland

Kohima, Nagaland

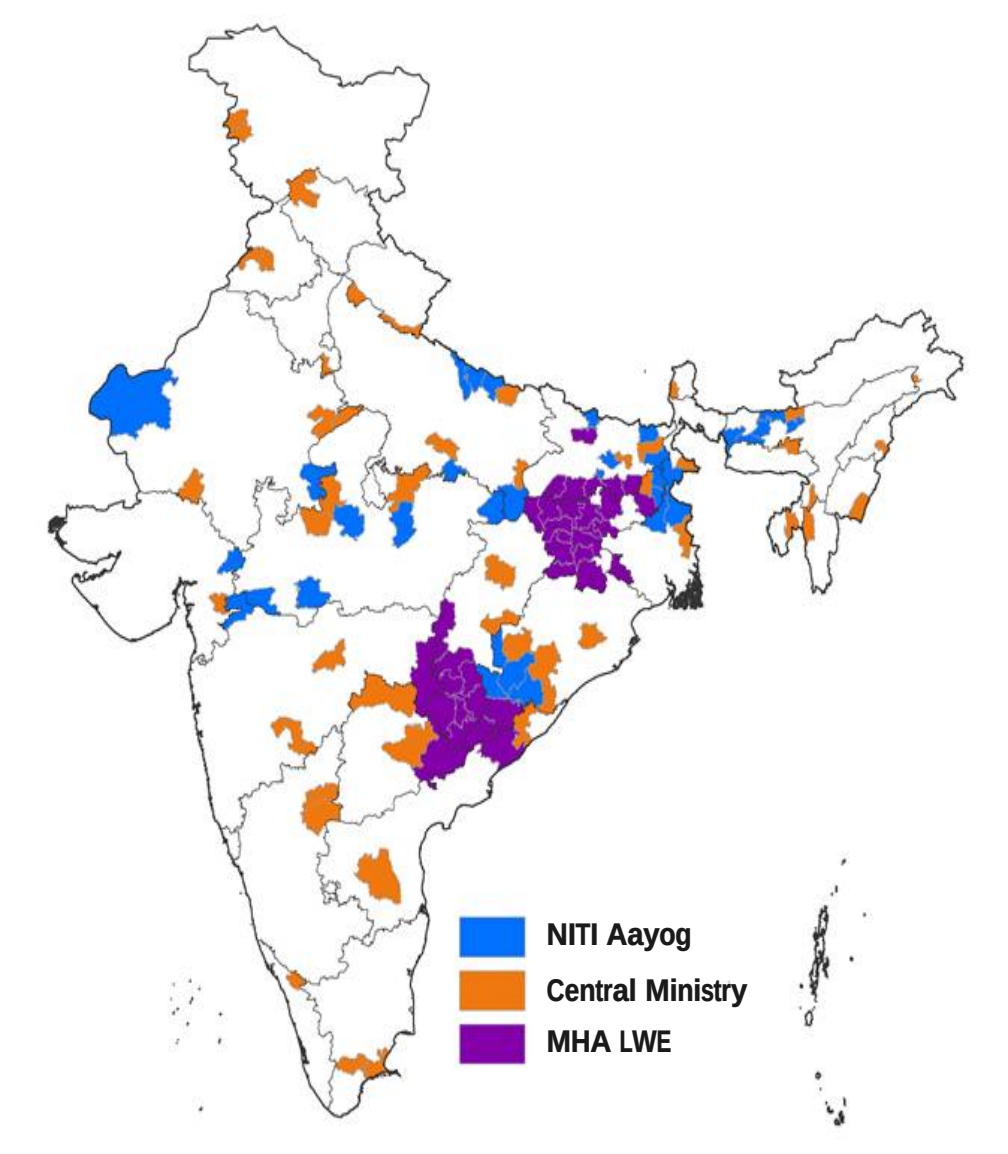
10th & 11th October, 2018

Transformation of Aspirational Districts Program

NITI Aayog

- ✓ Launched in January, 2018
- ✓ 117 Districts from 28 States
- ✓ 27 Districts - NITI Aayog
- ✓ 35 LWE Districts – MHA
- ✓ 55 Districts – Central Ministries

5 Districts of West Bengal yet to join. Active Districts, therefore, 112 in 27 States



Core Strategy of the Program

NITI Aayog

Convergence of Schemes

District Action Plan
Empowered Committee at Central & State level

Collaboration among Officers

Central & State Prabhari Officers
DMs/DCs Manpower augmentation

Competition among Districts

Real-time Monitoring Dashboard
3rd Party Validation
Delta Ranking

Mass Movement

Campaigns
Community Involvement
#Voices of Change

Governance of the Program

NITI Aayog

- Regular reviews by Hon'ble PM
  - Interacts with DMs/DCs on State visits
  - Review with CMs in Governing Council Meeting of NITI
- Cabinet Secretary Reviews
- Regular Empowered Committee Meetings
- Meeting of Prabhari Officers
- CEO, NITI VC with DMs/DCs

Top Priority attached to the Program

Focussed action since June 1, 2018

NITI Aayog

- **Launching of Extended Gram Swaraj Abhiyaan**

- **Specific action programme by**

  - **Health (in addition to Indradhanush)**
  - **Agriculture**
  - **Skill Development**
  - **Nutrition**
  - **Education**

NITI Aayog

Total Achievements under GSA+EGSA

- 48.28 Lakh new LPG Gas connections.
- 31.26 Lakh new Household Electricity connections.
- 68.52 Lakh new LED Bulbs distribution.
- 73.51 Lakh new PM Jan Dhan Accounts.
- 50.43 Lakh new enrolment under PM Jeevan Jyoti Bima Yojana (PMJJBY)
- 84.99 Lakh new enrolment under PM Suraksha Bima Yojana (PMSBY).
- 6.29 Lakh infants and 1.80 Lakh pregnant women vaccinated.

Health and Family Welfare

NITI Aayog

Target: Open two health and wellness Centre in 117 districts.

Achievement: 523 wellness centre opened against target of 234.

2286 HWCs made ready/operational in the country

Health: Nikshay Poshan Abhiyaan

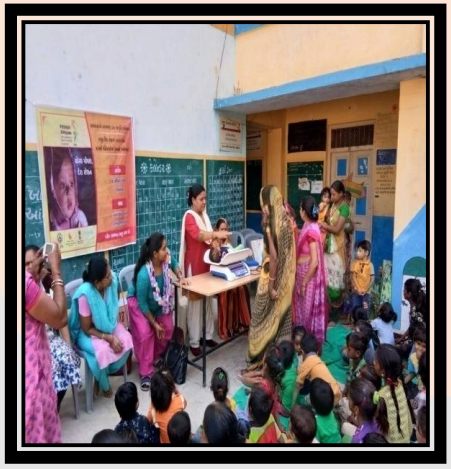
Nutrition Assistance for TB Patients	
Target (Number of TB patients notified)	***1,07,977***
Achievement (Number of TB patients received assistance through DBT)	***76,572 (71%)***

Software developed, district teams trained.

Nutrition: Focussed attention on awareness and behaviour change through community

NITI Aayog

Key Initiatives		Target	Achievement
Village Heath, Sanitation and Nutrition Day (VHSND)	ANC, Growth Monitoring, WASH, Health Promotion, Counseling - Family Planning etc.	1,27,204 VHSND	2,85,111 (224%)
Community Based Events (CBE)	Complimentary Feeding, Exclusive Breastfeeding, Growth Monitoring, Immunization, Use of Double Fortified Salt, De-worming etc.	2,38,777 CBE.	2,09,992 (88%)



Agriculture: Focus on 9 activities through Krishi Vikas Kendra

Activities:

1. Soil Health Cards distribution
2. Mini pulse & oilseeds kits distribution
3. Plant distribution @ 5 per family
4. NADEP Pits in each village
5. 100% bovine vaccination(FMD)
6. 100% Sheep/ Goat vaccination
7. Artificial insemination saturation
8. Training programmes
9. 10-20 agriculture implements distribution per village

2773 villages in 112 districts

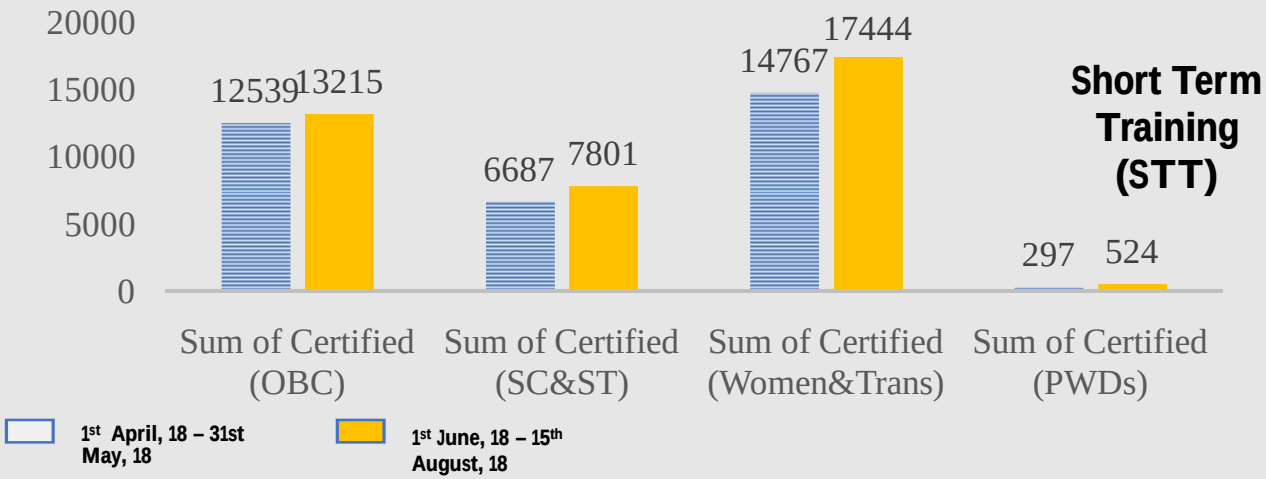
NITI Aayog

Agriculture: Targets and achievements

S. No	Activity	Total Target (entire KKA period)	No. of Villages	Farmers Benefitted	No. of Units
1	Distribution of Soil Health Cards	742171	2669	704395	730423
2	Distribution of Mini Kits of pulses and oilseeds or paddy	422862	2673	441153	450823
3	Distribution of Horticulture/Agro Forestry/Bamboo plant @ 5 per family(location appropriate)	1395500	2663	364866	1519006
4	Making NADEP Pits in each village	55620 (20 per village)	1861	33666	32867
5	100% coverage of bovine vaccination(FMD) in each village	100% Saturation	2664	648032	1359457
6	100% coverage of Sheep and Goat for eradication of PPR	100% Saturation	2618	343897	1079646
7	Artificial insemination saturation	272120 (100 animals per village)	2506	109108	111303
8	Training programmes	8376	2745	642106	17805
9	Distribution of 10 to 20 agriculture implements per village	27830 (10 per village)	2002	31952	32127

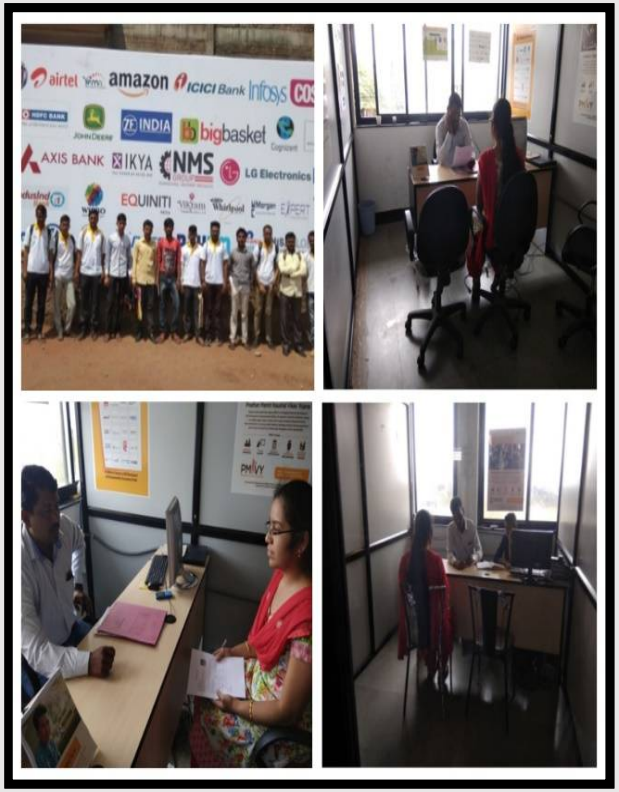
Skill Development: Acceleration in training under PMKVY.

	Short Term Training (STT)		Recognition of Prior Learning (RPL)
Period	Certified	Placed	Certified
April, 18 – May, 18	29550	10184	1245
1st June, 18 – 15th August, 18	33750	25219	3475
Total	63300	35403	4720



Skill Development: Rozgaar Mela in Aspirational Districts

SL No.	Parameters	
1.	Districts targeted	***117***
2.	Candidates mobilized	***34,991***
3.	No. Rozgar Job Mela organized	***54 (42 Districts)***
4.	Jobs offered through Rozgar Mela	**6319**



All out efforts are needed to meet the target.

Education: Approach

(1) Orientation of District level officers:

- **Workshop in Delhi.**
- **Circulation of booklet on indicators**

(2) Convergence with Panchayat Deptt for Girl's toilets.

(3) Detailing of 80 officers from Ministry for supervision.

(4) Use of technology: Portal www.samagrashiksha.in for Block and District education officers for uploading photo of school, good work, 72000+ picture uploaded.

Unless district level officers are oriented, rapid changes not possible.

Performance Analysed based on Self-reported data from March to July'18

Making ranking system fair:

- **Inconsistency in data over 5 months have been analysed and shared individually with Districts and CPOs.**
- **Data portal has been opened to modify data.**
- **Sample Survey result of 42 data points is available. After cleaning, we shall share the same within next 3-4 days with DMs, CPOs.**
- **Ranking on modified data: By October 15.**

States are taking innovative measures

Health & Nutrition

Dhenkanal, Odisha reduced maternal and infant deaths.

NITI Aayog @NITIAayog · 14 Aug

#VoicesOfChange: #Dhenkanal in #Odisha reduced Maternal & Infant deaths, and improved Child Sex Ratio in Q1 under 'Kalpana' program. Possible through last mile monitoring & regular ultrasound check-ups. Convergence of schemes at its Best! #AspirationalDistricts

Bhagwan aise DM sabhi Ko de

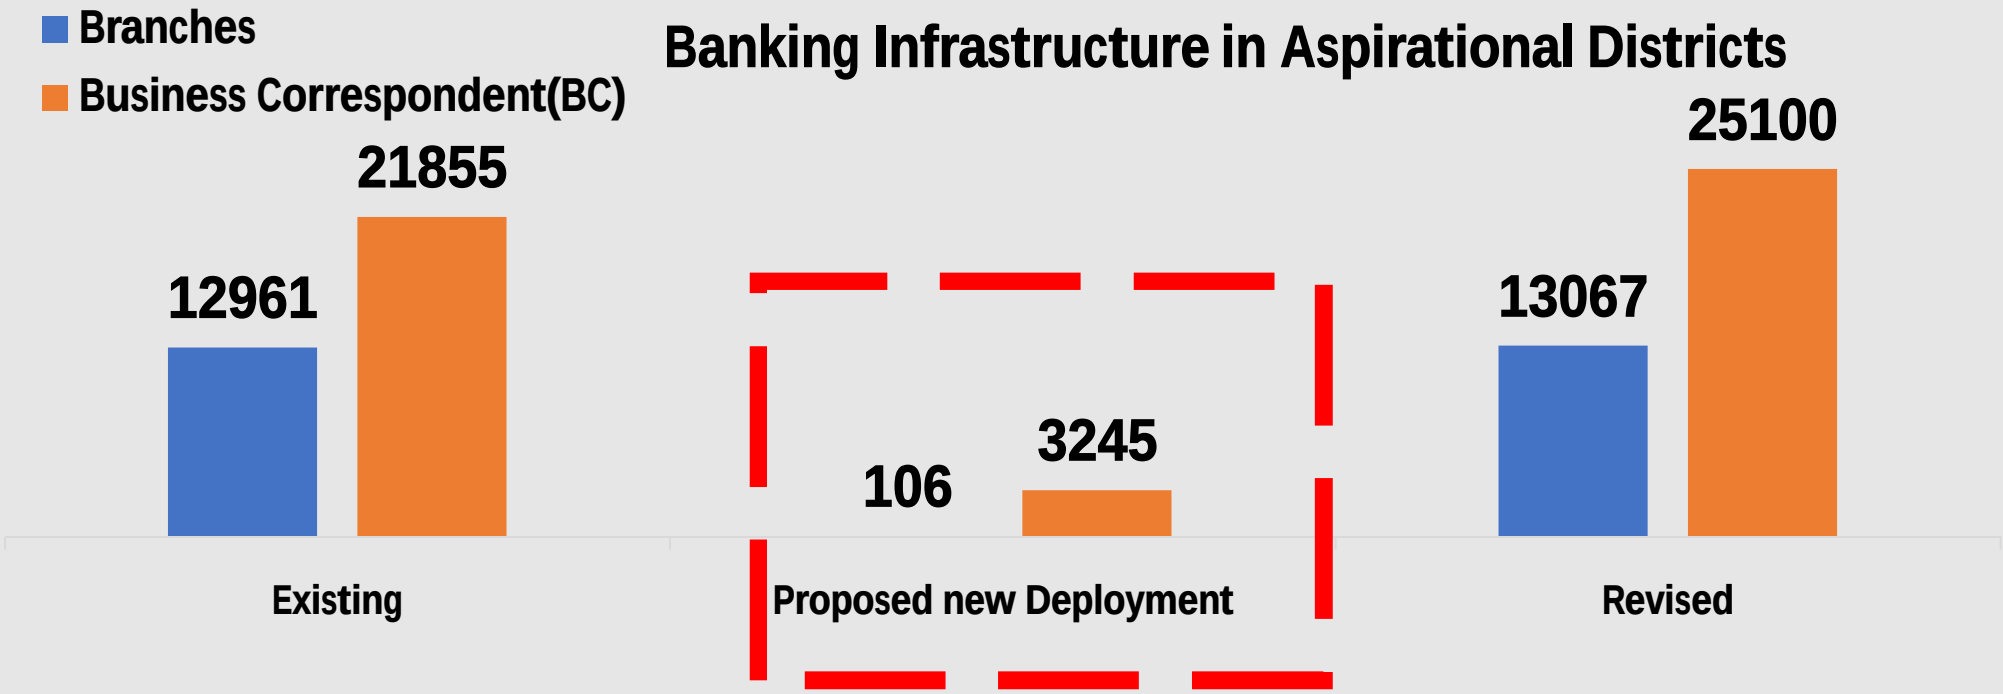
We want more and more districts to participate. Also provide best practices for Knowledge portal, launched by Niti Aayog.

NITI Aayog

Challenges remain: 5 Proactive measures by States needed.

- **Convergence** at block level – health, Swachhta and nutrition needs improvement.
- **State Prabhari officers** network need further activation.
- **Vacancies** in Health, education and **Agriculture extension worker**, especially at block level need to be filled up.
- Using Aspirational district template**, ranking and rewarding of block level** functionaries.
- **Posting dynamic collectors** with 3 year tenure

DFS: New Deployment of Banking outlets, where remaining, within 5 km distance of inhabited villages



District wise details shared with States + DMs. They are to provide list of Post Offices where Postal banking to be prioritised.

NITI Aayog

Initiatives Required: Strengthening of District level Implementation Committee(DLIC)

- DFS has nominated an ED/CGM level officer for each district.
- DMs should take advantage of this arrangement.

It is reported that in many districts regular meeting of DLIC is not taking place.

Health and Family Welfare

- All Aspirational Districts are **High Priority District:** higher **Resources**, relaxation in **Manpower** norms

- **“Health Atlas”** as a diagnostic tool launched by Hon’ble Prime Minister on 14th April 2018.

NITI Aayog

Agriculture: Krishi Kalyan Abhiyaan- Phase-II: 2nd October-25th December

Target - 2925 Villages in 117 Districts 10 activities

NITI Aayog

Power: Saturation of all aspirational districts by Dec 2018.

Parameter	No. of Districts
100% Household electrification	30 (Andhra-3, Bihar-9,Chhattisgarh-2, Gujarat-2, H.P.-1,Kerala-1, M.P.-4,Maharashtra – 2, Punjab-2, Tamilnadu-2, WB-2)
80-100% Household electrification	61 (Bihar-4,Chhattisgarh-7, Jharkhand-15,Haryana-1, J&K-2,Karnataka-2,Maharashtra-2,M.P. -4,Mizoram-1, Nagaland-1, Rajasthan-5,Odisha-6, Sikkim-1,Telangana-3, Tripura-1,Uttarakhand-2,UP-1,WB-3)
50-80% Household electrification	26 (Assam-7, Arunachal Pr.-1, Chhattisgarh-1, Jharkhand-4, Manipur-1,Meghalaya-1,Odisha-4,UP-7)

All remaining Households to be electrification by Dec 2018.

Ministry of Tribal Affairs: Release of grant under Art. 275 (1), SCA to TSS and PVTG (Rs in Lakhs)

Areas covered

- Education
- Health
- Livelihood
- Roads
- Drinking Water and Sanitation
- Implementation of FRA.

Rs. 583 cr have been released in 2018-19

Atal Tinkering Lab :

- ATL in 5 Schools in every district
- Schools to be selected through challenge method.
- So far received list of school from only 33 districts.

DMs are requested to send names of 5 schools immediately

NITI Aayog

Key Areas where active involvement of State needed.

Orientation

Problem:
Sub-District level officers not aligned.

Block level officers and front line workers need to be motivated.

Convergence

Problem:
Lack of convergence between Health, sanitation and Poshan Abhiyaan.

Block level specific plan together with Health, sanitation and nutrition team.

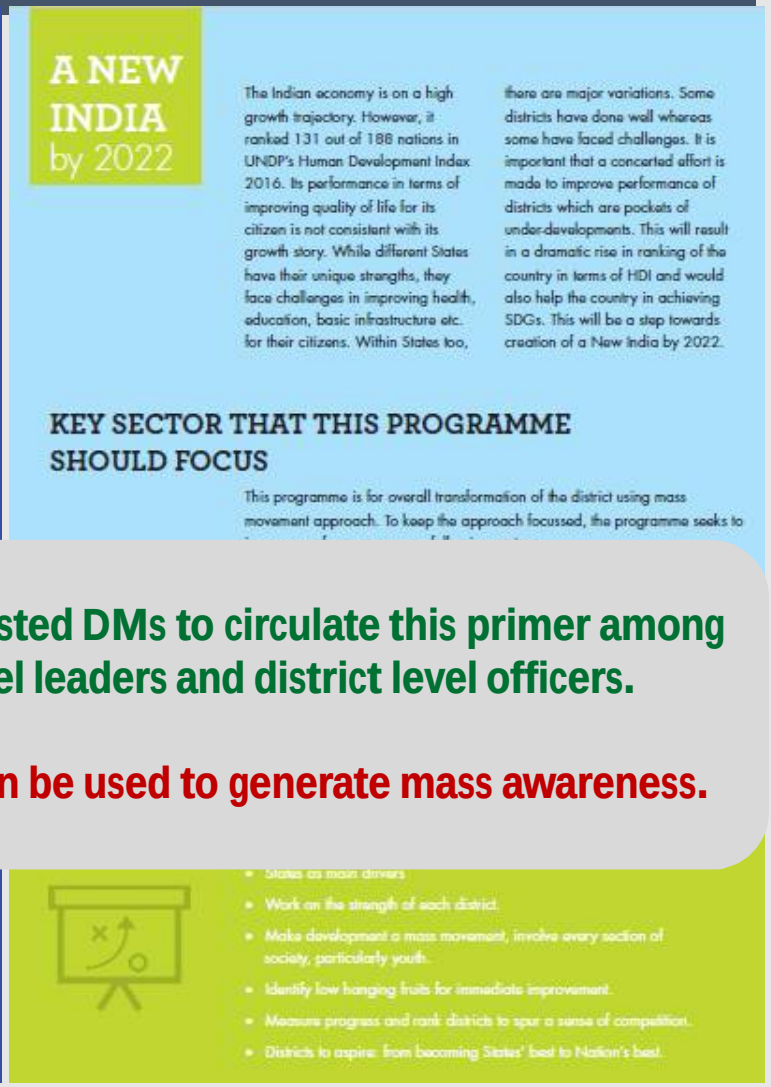
Supervision

Problem
Supervisory officers are inspecting but not supporting ground level staff.

They should identify genuine problems and solve them.

NITI Aayog

Primer – indicators explained. Tool for mass movement.



We have requested DMs to circulate this primer among village level leaders and district level officers.

This primer can be used to generate mass awareness.

Specific Role of States: Activate State Prabhari officers

- Central Prabhari officers are making visit.
- DMs are active.
- Monitoring at CM and Chief Secretary level taking place.
- **Every district has State Prabhari officer. They need to be activated.**

Role of State Prabhari officers in ensuring requisite action by State is critical.

NITI Aayog

Challenges remain: divergence between survey data and reported data

- Nit Aayog has received survey data on 40+ indicators from Tata trusts (85 districts), ID Insight- Gates foundation (27 Districts)
- We are analysing this data. Drawing confidence intervals to ensure that there is no major variations.
- Still, there are significant variations.
- We shall share this with Districts shortly.
- We are also computing data for fresh ranking.

Ideally, as we go along, variations should become negligible. DMs are requested to check the validity of data they are uploading.

NITI Aayog

Example of Hazaribagh

- Used template of Aspirational District programme ranked blocks.
- Rewarded block level officers who have done well.
- Generated enthusiasm in public as well as officers.
- Governing Council of Niti Aayog recommended identification of 20% of blocks.

Thank you
